

SCHEDULE 4

(Annex III to the Pressure Equipment Directive) CONFORMITY ASSESSMENT PROCEDURES

Module B1 (EC design-examination)

6. The applicant must inform the notified body that holds the technical documentation concerning the EC design-examination certificate of all modifications to the approved design; these are subject to additional approval where such changes may affect the conformity of the pressure equipment with the essential requirements of the Directive or the prescribed conditions for use of the equipment. This additional approval must be given in the form of an addition to the original EC design-examination certificate.
