SCHEDULE

Regulation 3

FEES EXCLUDED FROM THE DEFINITION OF FEES IN SECTION 28(1) OF THE ACT

PART I

INTERPRETATION

1. In this Schedule “core provision” in relation to goods or services means the provision of goods or services related to a course which is intended, by enabling the student to acquire skills or knowledge, to afford the student the opportunity to attain up to the highest grade or qualification for the course (or, where more than one grade or qualification is comprised in a course, the highest of all the grades or qualifications for the course).

PART II

DESCRIPTION OF FEES

2. Any fee payable in connection with the supply to the student (whether by sale or hire) of goods other than individual lecture notes, summaries of lectures or similar materials, where—

- (a) the goods do not form part of the core provision for the course, or
- (b) the goods become the property of the student (whether at the time the fee is paid or at any later time), provided that where goods form part of the core provision for the course and it is necessary to make available the goods to the student in connection with the student’s health or safety when attending the course, subparagraph (b) shall not apply unless the institution also makes the goods available to the student (without the goods becoming the property of the student) without charge.

3. Any fee payable in connection with the supply of services to the student where the services do not form part of the core provision for the course.

For the purposes of this paragraph the reservation of books or other materials at the institution’s library shall be treated as core provision for the course.

4. Any fee which represents a reimbursement of the cost of any fee or charge, other than a charge made in respect of the supply of goods to the institution, which the institution pays to some other person in connection with the student’s attendance on, or completion of, the course.

5. Any fee in respect of any additional administrative expenses incurred by the institution as a result of any negligence or default by the student (including administrative expenses arising from the student re-taking an examination, assessment of course work, or module of a course).

6. Any fee in respect of travel facilities provided by the institution.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations except certain fees from the meaning of “fees” in Chapter I of Part II of the Teaching and Higher Education Act 1998 (“the 1998 Act”).

Section 28 of the 1998 Act provides a definition of “fees” for the purposes of Chapter I of Part II of that Act, excluding certain categories of fees and “such other fees as may be prescribed”.

The Regulations are made under section 28 of the 1998 Act and prescribe further categories of excepted fees. These are set out in the Schedule.
