(4) An applicant shall provide such information as the Secretary of State may in writing request it to provide, as respects—

- (a) the nature of its relevant functions;
- (b) the number of employees of the applicant who are engaged in its performance of any relevant function, or such part of any relevant function as the Secretary of State may specify, and the qualifications and experience of those employees;
- (c) the nature and extent of qualifying expenses incurred by the applicant and the date of that incurring; and
- (d) such other information as he may request in connection with the application.

7.—(1) Subject to paragraph (2), a member may terminate its participation in the Scheme on 31st March in any year by giving not less than 12 months' notice in writing to that effect to the Secretary of State.

(2) A member's participation in the Scheme may not be terminated, by notice under paragraph (1)—

- (b) in any other case, before the expiry of three consecutive membership years beginning on the date on which, by virtue of regulation 6(6), its membership takes effect.

- (c) the continued membership of any member would, in the opinion of the Secretary of State, be detrimental to the efficient administration of the Scheme or to the interests of other members,

the Secretary of State may give notice in writing to that member that its participation in the Scheme is to cease on a date falling not less than 28 days after that on which the notice is given, and that member's participation in the Scheme shall, unless the Secretary of State in writing withdraws the notice before that date, be terminated on that date.

Members' contributions to the Scheme

8.—(1) A member shall pay to the Secretary of State in respect of each membership year such amount as shall be determined in relation to that member, and notified to it, in accordance with this regulation.

(2) When determining in relation to any member the amount of the payment to be made under paragraph (1), the Secretary of State shall have regard to—

 and may have regard to any other factor concerning that or any other member or the Scheme which he considers to be material to his determination

- (b) as respects any other membership year, by no later than 31st October in the preceding year;

of the amount of the payment which it is to make under paragraph (1).

- (i) incorrectly calculated, or
- (ii) determined by reference to information which was incorrect, or
- (b) in the light of further information which has become available to him, the determination of that amount ought to be reconsidered,

he shall reconsider the determination and may, at any time before the end of the membership year to which it relates, revise the amount of the payment to be made under paragraph (1).

(5) Where an amount is revised under paragraph (4), the Secretary of State shall give to the member notice in writing of the revised amount, and that paragraph shall have effect in relation to that amount as if the notice had been given under paragraph (3).

 - (iii) where the member has not complied with any condition imposed by the Secretary of State relating to that expense;
 - (e) which is of a nature in respect of which the Secretary of State has, in respect of all members and in respect of the relevant membership year, determined is not to be eligible for payment under the Scheme.
