Disciplinary proceedings applicable

(2) Any sanction against a registered European lawyer in relation to disciplinary proceedings may include withdrawal or suspension of his registration.

(3) The appropriate authority shall give reasons for its decision.

- (3) Where a registered European lawyer is authorised to practise under a home professional title in two or more home States, his registration shall be withdrawn in accordance with paragraph (2) only if his authorisation to practise under a home professional title has been withdrawn in all those home States.
- (4) Where there is an appeal against a decision in disciplinary proceedings against a registered European lawyer, the body responsible for hearing the appeal shall afford the competent authority in the registered European lawyer's home State an opportunity to make representations in relation to that appeal.

- (2) A person falls within this paragraph if—
- (a) he is a European lawyer and has been registered with that professional body for at least three years; and
 - (b) he has for a period of at least three years effectively and regularly pursued in England and Wales or Northern Ireland, professional activities under his home professional title in the law of England and Wales or Northern Ireland, as the case may be.

(2) The registration of a registered European lawyer shall cease from the date he is granted entry into the profession of solicitor or barrister.

(2) When deciding whether to grant an application under paragraph (3) of regulation 29, the professional body shall take into account the professional activities the registered European lawyer has pursued during the period he has been registered and any knowledge and professional experience he has gained of, and any training he has received in, the law of any part of the United Kingdom and the rules of professional conduct of the profession concerned.

(3) Subject to paragraph (4), in the case of an application under paragraph (3) of regulation 29, the professional body shall assess and verify the registered European lawyer's effective and regular professional activity and his capacity to continue the activity he has pursued at an interview.

(3) For the purposes of rules of professional conduct, including those relating to disciplinary and complaints procedures, the lawyer's continuing practice in the United Kingdom under his home professional title shall be deemed to form part of his practice as a solicitor or barrister, and those rules shall apply to his practice under his home professional title as they do to his practice as a solicitor or barrister.

(4) Where this regulation applies, a lawyer's registration in accordance with regulation 17 with the professional body whose title he has acquired shall cease from the date he is entitled to use that title.

(5) Paragraph (4) shall not affect any registration the lawyer may have in another part of the United Kingdom.
