The Explosive Substances (Hazard Information)
Regulations (Northern Ireland) 2000

Retention of classification data for substances dangerous for supply

8. A person who classifies a substance in accordance with regulation 5(3) shall keep a record of the information used for the purposes of classifying it for at least 3 years after the date on which the substance was supplied by him for the last time and shall make the record or a copy of it available to the appropriate enforcing authority at its request.
