**2000 No. 2056**

**The Enzootic Bovine Leukosis (England) Order 2000**

**Notification of disease in laboratory samples**

5.—(1) Subject to paragraph (2) below, where by reason of a laboratory examination of a sample taken from a bovine animal, evidence of the existence of enzootic bovine leukosis is identified, the person in charge of the laboratory shall, within 24 hours, notify the [<sup>F1</sup>Secretary of State], of that fact.

(2) The obligation to give notification in paragraph (1) shall not apply where enzootic bovine leukosis has been deliberately introduced into a laboratory sample.

---

**Textual Amendments**

- F1** Words in [art. 5\(1\)](#) substituted (1.11.2009) by [The Animal Health \(Divisional Veterinary Managers\) Order 2009 \(S.I. 2009/2713\)](#), arts. 1, **6(3)**

**Changes to legislation:**

There are currently no known outstanding effects for the The Enzootic Bovine Leukosis (England) Order 2000, Section 5.
