2000 No. 3175

The Harwich Haven Harbour Revision Order 2000

Publication of accounts

7. In the Harwich Harbour Act 1974—

(a) the following subsection is inserted after section 68(3):—

“(4) The Authority shall make the accounts, as approved at the meeting referred to in subsection (3) of this section, and the strategy plan required by section 68A (Strategy plans) of this Act, available at its principal office for inspection, and for the purchase of copies at a reasonable price.”;

(b) the following section is inserted after section 68:—

“Strategy plans.

68A. The Authority shall prepare, by way of supplement to the annual accounts, a strategy plan containing—

- (a) general information about the Authority and Board members;
- (b) statements of the Authority’s key policies, its strategic objectives, and its targets for a stated period not less than the coming financial year;
- (c) a statement outlining the Authority’s operations during the period covered by the accounts, its operational performance and future plans.”.
