**EXPLANATORY NOTE**

*(This note is not part of the Regulations)*

These Regulations provide for winter fuel payments to be made out of the social fund to persons who, in the third week of September in any year—

- (a) are aged 60 or over;
- (b) are ordinarily resident in Great Britain;
- (c) satisfy the criteria in regulation 2; and
- (d) are not excluded by regulation 3.

Regulation 4 provides for winter fuel payments to be made without the need for a claim to persons—

- (a) whose entitlement thereto can be established from official records held by the Secretary of State; and
- (b) who are entitled to income support in the third week in September in a year by virtue of a decision made after that week that they are refugees.

It further provides that decisions as to entitlement which are made without a claim may be made on the basis of official records but not so as to exclude the consideration of other evidence on a revision or supersession of that decision under the Social Security Act 1998.

Regulation 5 revokes legislation which has hitherto provided for social fund winter fuel payments.

These Regulations do not impose a charge on businesses.
