Effective date for late notification of change of circumstances

9.—(1) For the purposes of making a decision under paragraph 4 of Schedule 7 to the Act a longer period of time may be allowed for the notification of a change of circumstances in so far as it affects the effective date of the change where the conditions specified in the following provisions of this regulation are satisfied.

(2) An application for the purposes of paragraph (1) shall—

- (a) include particulars of the change of circumstances and the reasons for the failure to notify the change of circumstances on an earlier date; and
- (b) be made within 13 months of the date on which the change occurred.

(3) An application for the purposes of paragraph (1) shall not be granted unless the appropriate relevant authority is satisfied that—

- (a) it is reasonable to grant the application;
- (b) the change of circumstances notified by the applicant is relevant to the decision which is to be superseded; and
- (c) special circumstances are relevant and as a result of those special circumstances it was not practicable for the applicant to notify the change of circumstances within one month of the change occurring.

(4) In determining whether it is reasonable to grant the application, the appropriate relevant authority shall have regard to the principle that the greater the amount of time that has elapsed between the date one month after the change of circumstances occurred and the date the application for a superseding decision is made, the more compelling should be the special circumstances on which the application is based.

(5) In determining whether it is reasonable to grant an application, no account shall be taken of the following—

- (a) that the applicant was unaware of, or misunderstood, the law applicable to his case (including ignorance or misunderstanding of the time limits imposed by these Regulations); or
- (b) that a Commissioner or a court has taken a different view of the law from that previously understood and applied.

(6) An application under this regulation which has been refused may not be renewed.

Notice of a decision against which an appeal lies

10.—(1) A person affected who has a right of appeal against a relevant decision shall be given written notice—

- (a) of the decision against which the appeal lies;
- (b) in a case where that notice does not include a statement of reasons for the decision, that he may request the relevant authority to provide him with a written statement of the reasons for that decision; and
- (c) of his right of appeal against that decision.

(2) Where a written statement of the reasons for the decision is not included in the written notice of the decision and is requested under paragraph (1)(b), the relevant authority shall, so far as practicable, provide that statement within 14 days.

[^{F38}Correction of accidental errors

10A.—(1) Accidental errors in a relevant decision, or a revised decision, or the record of such a decision, may be corrected by the relevant authority at any time.

(2) A correction made to a relevant decision, or a revised decision, or the record of such a decision, shall be deemed to be part of the decision, or of that record, and the relevant authority shall give a written notice of the correction as soon as practicable to the claimant.

(3) In calculating the time within which an application can be made under regulation 4(1)(a) for a relevant decision to be revised, or the time within which an appeal may be brought under regulation 18(1), there shall be disregarded any day falling before the day on which notice was given of a correction of the decision or to the revision or record thereof under paragraph (2).]
