Calculation of earnings-related contributions

12.—(1) Subject to paragraphs (3) and (4), earnings-related contributions shall be calculated as follows—

- (a) primary and secondary Class 1 contributions under section 6 of the Act (liability for Class 1 contributions) and any primary and secondary Class 1 contributions at the normal rate and at the contracted-out rate shall each be calculated separately; and
- (b) as regards the calculation referred to in sub-paragraph (a) primary and secondary Class 1 contributions shall be calculated to the nearest penny and any amount of a halfpenny or less shall be disregarded.

(2) In the alternative, but subject to the provisions of paragraphs (3) to (5), the contributions specified in paragraph (1) may be calculated in accordance with the appropriate scale or, for contributions payable on earnings above the upper earnings limit or the prescribed equivalent of that limit, a contributions calculator prepared by the Board.

- (3) Where the amount of earnings to which—
- (a) the appropriate scale is to be applied does not appear in the scale, the amount of contributions payable shall be calculated by reference to the next smaller amount of earnings in the appropriate column in the scale;
 - (b) the appropriate contributions calculator is to be applied does not appear in the calculator, the amount of contributions payable shall be calculated—
 - (i) by obtaining from the calculator the amounts of contributions payable on the largest components of the earnings provided for in the calculator, and
 - (ii) by adding together the amounts so obtained.

(4) Where a scale or a contributions calculator would, but for the period to which it relates, be appropriate and the earnings period in question is a multiple of the period in the scale or, as the case may be, calculator, the scale or calculator shall be applied by dividing the earnings in question so as to obtain the equivalent earnings for the period to which the scale or calculator relates and—

- (a) in the case of the scale, by multiplying the amount of contributions shown in the scale as appropriate to those equivalent earnings by the same factor as the earnings were divided;
- (b) in the case of the calculator, by multiplying the amount of contributions shown in the calculator as appropriate to those equivalent earnings or, where no equivalent earnings are shown, the amount of contributions calculated in accordance with paragraph (3)(b), by the same factor as the earnings were divided.

(5) Unless the Board agree to the contrary, all the contributions payable in a year in respect of the earnings paid to or for the benefit of an earner in respect of his employed earner's employment or, where he has more than one such employment and the earnings from those employments are aggregated under paragraph 1(1) of Schedule 1 to the Act (Class 1 contributions where more than one employment), in respect of those employments, shall be calculated either in accordance with paragraph (1) or paragraph (2) but not partly in accordance with one and partly in accordance with the other of those paragraphs, save that the contributions calculator may also be used where the contributions have been calculated in accordance with paragraph (1).

General provisions as to aggregation

13. Where on one or more occasions the whole or any part of a person's earnings in respect of employed earner's employment is not paid weekly (whether or not it is treated for the purpose of earnings-related contributions as paid weekly), paragraph 1 of Schedule 1 to the Act (Class 1 contributions where more than one employment) shall have effect as if for the references to "week" there were substituted references to "earnings period".

Aggregation of earnings paid in respect of separate employed earner's employments under the same employer

14. For the purpose of earnings-related contributions, where an earner is concurrently employed in more than one employed earner's employment under the same employer, the earnings paid to or for the benefit of the earner in respect of those employments shall not be aggregated if such aggregation is not reasonably practicable because the earnings in the respective employment are separately calculated.

Aggregation of earnings paid in respect of different employed earner's employments by different persons and apportionment of contribution liability

15.—(1) Subject to regulation 7, for the purposes of determining whether earnings-related contributions are payable in respect of earnings paid to or for the benefit of an earner in a given earnings period, and, if so, the amount of contributions, where in that period earnings in respect of different employed earner's employments are paid to or for the benefit of the earner—

Regs. 15-18

- (a) by different secondary contributors who in respect of those employments carry on business in association with each other;
- (b) by different employers, one of whom is, by virtue of Schedule 3 to the Social Security (Categorisation of Earners) Regulations 1978(a), treated as the secondary contributor in respect of each of those employments; or
- (c) by different persons, in respect of work performed for those persons by the earner in those employments and in respect of those earnings, some other person is, by virtue of that Schedule, treated as the secondary contributor,

the earnings paid in respect of each of the employments referred to in this paragraph shall, unless in a case falling under sub-paragraph (a) it is not reasonably practicable to do so, be aggregated and treated as a single payment of earnings in respect of one such employment.

(2) Where, under paragraph (1), earnings are aggregated, liability for the secondary contributions payable in respect of those earnings shall, in a case falling within paragraph (1)(a), be apportioned between the secondary contributors in such proportions as they shall agree amongst themselves, or, in default of agreement, in the proportions which the earnings paid by each bearer to the total amount of the aggregated earnings.

Aggregation of earnings paid after pensionable age

16. Notwithstanding the provisions of regulation 15, a payment of earnings to which regulation 28 applies shall not be aggregated with any other earnings.

Apportionment of single payment of earnings in respect of different employed earner's employments by different secondary contributors

17. Where any single payment of earnings is made in respect of two or more employed earner's employments under different secondary contributions, liability for earnings-related contributions shall be determined by apportioning the payment as follows—

- (a) where the secondary contributors are, in respect of those employments, carrying on business in association with each other, to the secondary contributor who makes the payment;
- (b) where the secondary contributors are not so carrying on business in association with each other, to each of those secondary contributors in the proportion which the earnings due in respect of that secondary contributor's employment bears to the total of the single payment.

Change of earnings period

18.—(1) Paragraphs (2) and (3) apply where, by reason of a change in the regular interval at which any part of an earner's earnings is paid or treated as paid in respect of employed earner's employment ("the regular interval of payment"), that person's earnings period in any employment or employments under the same secondary contributor is, or is in the process of being, changed.

(2) Subject to paragraph (3), in relation to any payments made on or after the date of change the earnings period shall be determined in accordance with the new interval.

(3) Where the new period is longer than the old period and during the first new period any payment has also been made at the old interval, the earnings-related contributions payable on any payment made on or after the date of change shall not exceed in amount the total which would have been payable if all the payments during the new period had been made at the new interval.

(a) S.I. 1978/1689. Schedule 3 was amended by regulation 4 of S.I. 1984/350, regulation 3 of S.I. 1990/1894, regulation 4 of S.I. 1994/726 and regulation 4 of S.I. 1998/1728.

(4) In this regulation—

- (a) the regular interval of payment which has been discontinued is referred to as “the old interval” and the interval which has, or is to, become the regular interval of payment is referred to as “the new interval”;
- (b) the earnings period determined according to the old interval is referred to as “the old period” and that determined according to the new interval is referred to as “the new period”;
- (c) reference to payment means payment of earnings actually made or, as the case may be, treated under regulation 7 as made, at an interval or date; and
- (d) “date of change” means the date on which the first payment of earnings at the new interval is made.

Holiday payments

19. Where as respects an employed earner’s employment in which the earner is paid or would, but for paragraph (b), be treated under regulation 7 as paid at a regular interval of a week or a fixed number of weeks, a payment of earnings includes or comprises a payment in respect of a period of holiday entitlement other than such a payment made to an earner in respect of a period of holiday entitlement outstanding on termination of that employment, for the purposes of calculating the earnings-related contributions payable in respect of that payment of earnings—

- (a) the earnings period may be the length of the period in respect of which the payment is made, but where the length of that earnings period includes a fraction of a week that fraction shall be treated as a whole week; and
- (b) where the earnings period is so determined, regulation 7 shall not apply.

►¹Joint employment of spouses or civil partners◄

20. For the purposes of earnings-related contributions, where ►¹spouses or civil partners◄ are jointly employed in employed earner’s employment and earnings in respect of the employment are paid to them jointly, the amount of the earnings of each shall be calculated upon the same basis as that upon which those earnings are calculated for the purposes of income tax and, in the absence of such calculation, upon such basis as may be approved by the Board.

Step Three

Step Four

Step Five

If the result produced by Step Four is a positive value, multiply it by ►¹12 per cent.◄.

If that result is nil or a negative value, it is treated for the purposes of Step Eight as nil.

Step Six

Step Seven

Rule 1

The amount to be returned is the excess of the contributions actually paid by the earner over the maximum prescribed by regulation 21 in the particular case.

►¹*Rule 2*

If the amount of contributions paid in respect of contracted-out employments exceeds the amount found by the following formula, the amount to be returned is the excess.

The formula is–

$$53 \times [((UAP - PT) \times \blacktriangleright^{210.6\%}\blacktriangleleft) + ((UEL - UAP) \times \blacktriangleright^{312\%}\blacktriangleleft)]$$

In any other case to which this Rule applies take the following Steps: the amount to be returned is the excess of the contributions actually paid by the earner over the amount found by Step 5 in the following sequence.

Step 1

Determine the amount of earnings between PT and UAP in respect of contracted-out employments held in the year.

Step 2

Multiply the amount found at Step 1 by ►²10.6%◄.

Step 3

Subtract the amount found at Step 1 from that found by the formula–

$$53 \times (UEL - PT)$$

Step 4

Multiply the result found at Step 3 by ►³12%◄.

Step 5

Add together the results of Steps 2 and 4.

Rule 3

If the amount of contributions paid in respect of APP employments exceeds the amount produced by the formula below, the amount to be refunded is the excess.

The formula is–

$$53 \times (UEL - PT) \times \blacktriangleright^{312\%}\blacktriangleleft$$

In any other case to which this Rule applies take the following Steps: the amount to be returned is the excess of the contributions actually paid by the earner over the amount found by Step 7 in the following sequence.

Step 1

Determine the amount of earnings between PT and UEL in respect of APP employments held in the year.

Step 2

Step 3

Subtract the amount found at Step 1 from that found by the formula-

$$53 \times (UAP - PT)$$

If the result is a positive amount go to Step 4, otherwise go to Step 5.

Step 4

Multiply the amount found at Step 3 by ►¹10%◄.

Step 5

Subtract the amount found at Step 1 together with any previous amount found at Step 3 from the amount found by the formula-

$$53 \times (UEL - PT)$$

Step 6

Multiply the amount found at Step 5 by ►¹12%◄.

Step 7

Add together the results of Steps 2, 4 (if completed) and 6◄

- (b) where that number is greater than 50, £100 for each 50 such earners and an additional £100 where that number is not a multiple of 50.

(5) The total penalty payable under paragraph (2)(a) shall not exceed the total amount of Class 1A contributions payable in respect of the year to which the return in question relates.

(6) Any penalty imposed in accordance with this regulation shall be recoverable as if it were a Class 1A contribution which the employer is liable to pay to the Board under regulation 71.

(7) A penalty imposed in accordance with this regulation shall be due and payable at the end of 30 days beginning with the date on which notice of the decision to impose it was issued.

- (7) For the purposes of paragraph (6)—
- (a) an insufficiency of funds is not a reasonable excuse unless attributable to events outside P’s control,
 - (b) where P relies on any other person to notify HMRC, that is not a reasonable excuse unless P took reasonable care to avoid the failure,
 - (c) where P had a reasonable excuse but the excuse has ceased, P is to be treated as having continued to have that excuse if P notifies without unreasonable delay after the excuse ceased.
- (8) For the purposes of this regulation, the reference to a failure by P includes a failure by a person who acts on P’s behalf; but P is not liable to a penalty in respect of a failure by P’s agent where P satisfies HMRC or (on appeal) the tribunal that P took reasonable care to avoid the failure.

General conditions for application for, and issue of, certificates of exception and deferment

97.—(1) Any application made under any of regulations 91 to 96, for a certificate of exception from, or deferment of, liability to pay contributions under section 15 of the Act for any particular year of assessment shall be made in such form and in such manner as the Board may approve.

(2) Any person making such application shall furnish, or cause to be furnished, to the Board such information or evidence as they may require for the purpose of enabling them to determine whether such a certificate should be issued in respect of that person.

(3) On the issue of such a certificate the person in respect of whom the certificate is issued shall be excepted from liability to pay the contributions to which the certificate relates or his liability for such payment shall be deferred.

This is subject to paragraph (4).

(4) If, for the purpose of obtaining a certificate of exception or deferment, the person making the application furnishes or causes to be furnished to the Board information which is erroneous, or fails to furnish or cause to be furnished to them information which is relevant, and but for such furnishing or failure the certificate would not have been issued for any particular year of assessment—

- (a) the Board may revoke the certificate in so far as it relates to that year; and
- (b) the person who made the application shall be liable to pay contributions under section 15 of the Act for that year to the extent to which he would have been so liable if the certificate had not been issued.

Revocation of certificates of exception and deferment

98. Where under regulation 97(4)(a) the Board revoke a certificate of exception or deferment—

- (a) they shall be responsible for calculating the contributions due under section 15 of the Act for the year specified in paragraph 97(4)(b) (being the current or a past year) and for the collection of those contributions;
- (b) the applicant shall—
 - (i) furnish, or cause to be furnished, to the Board all such information or evidence as they may require for the purpose of calculating those contributions, and
 - (ii) within such period as the Board may direct, pay to them the contributions so calculated.

Calculation of liability for, and recovery of, Class 4 contributions after issue of certificate of deferment

99.—(1) Where a certificate of deferment has been issued in respect of any earner under regulations 91 to 98—

- (a) the profits or gains of that earner, in respect of which contributions would be payable under section 15 of the Act (Class 4 contributions), but for the issue of the certificate of deferment, shall be assessed under the Income Tax Acts for each year to which the certificate relates, in all respects as if no such certificate had been issued, provided that (without prejudice to the validity of the assessment of the amount of the earner's profits or gains and his right of appeal against that assessment) no figure representing ►¹contributions, the payment of which has been deferred, ◀ shall be shown in any such assessment or on any notice of such assessment nor shall any of the provisions of the Income Tax Acts (as applied or modified by section 16 of, and Schedule 2 to, the Act) as to collection, repayment or recovery apply to any such assessment; and
- (b) the Board shall be responsible for the calculation, administration and recovery of Class 4 contributions ultimately payable in respect of the profits or gains so assessed for any year of assessment to which the certificate of deferment relates.

(2) Any such calculation shall be subject to the provisions of regulations 94 and 100 and for the purpose of the calculation where the total amount of the profits or gains for any year of assessment to which the certificate relates includes a fraction of £1, that fraction shall be disregarded.

Regs. 99-100

(3) For the purpose of enabling the Board to make the calculation, they shall certify the amount of the earner's profits or gains, computed under Schedule 2 to the Act for each year of assessment.

¹Words in reg. 99(3) & (4) substituted by reg. 13(3) & (4) of S.I. 2003/193 as from 6.4.03.

►¹This is subject to the following qualification.◄

(4) Notwithstanding paragraph (3), the Board shall not be required to certify the amount referred to in that paragraph unless the assessment made under this regulation has become ►¹final and conclusive.◄

that the amount of the earner's profits or gains so computed is not less than the higher of the two money sums specified in section 15(3) of the Act.

(5) The Board, on making the calculation referred to in paragraph (3), shall give notice to the earner of the amount of the contributions due from him under section 15 of the Act for each year to which the certificate of deferment relates.

(6) The earner shall pay to the Board those contributions within the period of 28 days from the receipt of the notice from them, unless before the expiry of that period the earner—

- (a) has appealed out of time or made a claim or appealed against the decision on a claim made under the Income Tax Acts on any matter concerning the amount of the profits or gains certified as mentioned in paragraph (3), and has notified the Board accordingly; or
- (b) has appealed against a decision made under section 8 of the Transfer Act relating to those contributions.

(7) If the amount of any assessment made under this regulation for any year is altered for any reason, or if a further assessment is made in respect of that year, subsequently to the certification by the Board of the amount of an earner's profits or gains computed in accordance with the provisions of this regulation and that alteration or further assessment affects the amount of the earner's profits or gains so computed they shall immediately, or in the case of a further assessment when that further assessment has become final and conclusive, certify to the earner the altered amount of the earner's profits or gains.

²Reg. 100 substituted by reg. 14 of S.I. 2003/193 as from 6.4.03.

►²**Annual maximum of Class 4 contributions due under section 15 of the Act**

100.—(1) If, in respect of any year, there are payable by or in respect of an earner Class 4 contributions under section 15 of the Act (a) and also—

- (a) primary Class 1 contributions or Class 2 contributions; or
- (b) primary Class 1 contributions and Class 2 contributions,

paragraph (2) applies.

(2) If this paragraph applies, the earner's liability for Class 4 contributions shall not exceed the maximum found in accordance with paragraph (3).

(3) The maximum is found as follows.

Step One

Subtract the lower profits limit from the upper profits limit for the year.

Step Two

Multiply the result of Step One by ►³9 per cent.◄.

Step Three

Add to the result of Step Two 53 times the weekly amount of the appropriate Class 2 contribution.

Step Four

Subtract from the result of Step Three the aggregate amount of any Class 2 contributions and primary Class 1 contributions paid at the main primary percentage.

The application of the following steps is determined by reference to the following three Cases.

(a) Section 15 has been amended: relevant amendments are those made by section 13 of the Limited Liability Partnerships Act 2000 (c. 12) and section 3(1) of the Contributions Act.

³Words substituted in reg. 100(3), step 2, by reg. 2(3)(a)(i) of S.I. 2012/573 as from 26.3.12.

Case 1

If the result of this step is a positive value, and exceeds the aggregate of–

- (a) primary Class 1 contributions payable at the main primary percentage,
- (b) Class 2 contributions; and
- (c) Class 4 contributions payable at the main Class 4 percentage,

in respect of the earner’s earnings, profits and gains for the year, the result of this step is the maximum amount of Class 4 contributions payable.

Case 2

If the result of this step is a positive value, but does not exceed the aggregate mentioned in Case 1, the result of this step is the maximum amount of Class 4 contributions payable at the main Class 4 percentage.

Case 3

If the result of this step is a negative value, the maximum amount of a Class 4 contribution payable at the main Class 4 percentage is nil and the result of this step is treated as nil.

If Case 1 applies, Steps Five to Nine do not, but if Case 2 or Case 3 applies those Steps do apply.

Step Five

Multiply the result of Step Four by

$$\blacktriangleright \frac{100}{9} \blacktriangleleft$$

¹Words substituted in steps 5, 8 & 9 of reg. 100 by regs. 2(3)(a)(ii)-(iv) of S.I. 2012/573 as from 26.3.12.

Step Six

Subtract the lower profits limit from the lesser of the upper profits limit and the amount of profits for the year.

Step Seven

Subtract the result of Step Five from the result of Step Six.

If the result of this step is a negative value, it is treated as nil.

Step Eight

Multiply the result of Step Seven by \blacktriangleright^{12} per cent. \blacktriangleleft

Step Nine

Multiply the amount by which the profits and gains for the year exceed the upper profits limit for the year by \blacktriangleright^{12} per cent. \blacktriangleleft

The maximum amount of Class 4 contributions payable is–

- (a) where Case 1 of Step Four applies, the result of that step, and
- (b) where Case 2 or Case 3 of Step Four applies, the amount produced by adding together the results of Steps Four, Eight and Nine.

This is subject to the qualifications in paragraphs (4) to (6).

In this paragraph–

“lower profits limit” means the lesser of the two monetary sums specified in section 15(3)(a) of the Act (a); and

“upper profits limit” means the greater of those sums.

\blacktriangleright^2 (4) For the purpose only of determining the extent of the earner’s liability for contributions under paragraph (3), the amount of a primary Class 1 contribution which would otherwise be payable at the main primary percentage but which is paid at a rate

less than 12 per cent. because the earner is a married woman who has made an election to pay contributions at the reduced rate as mentioned in regulation 127, shall be treated as equal to the amount of the primary Class 1 contribution payable at the main primary percentage, which would be so payable if the election has not been made.◀

Reg. 100(4) substituted by reg. 15 of S.I. 2016/352 is reproduced here for savings purposes identified in reg. 20 of S.I. 2016/352.

(4) For the purpose only of determining the extent of the earner's liability for contributions under paragraph (3), the amount of a primary Class 1 contribution which would otherwise be payable at the main primary percentage but which is paid at a rate less than ▶¹12 per cent.◀ because the earner—

- (a) is in contracted-out employment, or
- (b) is a married woman who has made an election to pay contributions at the reduced rate as mentioned in regulation 127,

shall be treated as equal to the amount of the primary Class 1 contribution payable at the main primary percentage, which would be so payable if the employment were non-contracted-out employment or the election had not been made (as the case may be).

(5) Paragraph (2) is subject to the provisions of section 12 of the Act and to regulations 63 to 65.

(6) Notwithstanding paragraphs (1) to (5), an earner shall be liable, in the first instance, for the full amount of the contributions which would have been payable but for this regulation.◀

Disposal of Class 4 contributions under section 15 of the Act which are not due

101. Where for any year of assessment any payment is made by an earner as on account of contributions under section 15 of the Act (Class 4 contributions) and—

▶²(2) It is a condition of repayment under this regulation that the earner makes an application for the payment—

- (b) in any year he has earnings from any such employment (one or more) which fall within section 11(3) of the Act (higher weekly rate of Class 2 contributions), but is not liable for a higher weekly rate of Class 2 contributions by virtue of regulations under that section;

Notification of national insurance number and recording of category letter on deductions working sheet

104.—(1) Any earner to whom regulation 103 applies shall, on request, notify his national insurance number to the person who pays him the earnings referred to in that regulation.

(3) In this regulation “deductions working sheet” has the same meaning as in Schedule 4.

Calculation of earnings for the purposes of special Class 4 contributions

105. For the purpose of the calculation of an earner’s liability for a special Class 4 contribution for any year—

- (a) the earnings of that earner for that year shall, subject to paragraph (b), be calculated by the Board on the basis that they are earnings to which regulations 24 and 25 and Schedules 2 and 3 apply;
- (b) in the calculation of these earnings, if the total amount of the earnings for the year includes a fraction of a pound, that fraction shall be disregarded.

Notification and payment of special Class 4 contributions due

106. - (b) the Board have certified in accordance with regulation 99(7) an altered amount of earner's profits or gains,

paragraph (2) applies.

(2) If this paragraph applies, the Board shall, as soon as may be after the prescribed time, give to the earner notice or, as the case may be, revised notice of such contributions as might, having regard to the final decision on the claim or appeal or, the altered amount of profits or gains, be due from the earner—

- (a) under section 15 of the Act (Class 4 contributions) for the year or years to which the certificate referred to in regulation 99(7) relates; or

- (2) The maximum is—
- (a) in the case of a special Class 4 contribution and an ordinary Class 4 contribution, the amount (if any) equal to the difference between the maximum amount of a special Class 4 contribution for which provision is made in section 18(1) of the Act and the amount of the ordinary Class 4 contributions ultimately payable for that year; or
 - (b) in any other case (whether or not a Class 4 contribution is also payable), the amount (if any) equal to the difference between the maximum amount prescribed in regulation 100 and the amount of such Class 4, primary Class 1 and Class 2 contributions as are ultimately payable for that year.

(3) Paragraphs (1) and (2) are without prejudice to the earner’s liability in the first instance for the full amount payable apart from those paragraphs.

Disposal of special Class 4 contributions paid in excess or error

109. Where any payment has been made by a person on account of a special Class 4 contribution and that payment has been made in excess of the amount prescribed under regulation 108 or has been made in error, the Board may treat that payment as made on account of other contributions properly payable by that person under the Act.

(3) Any person desiring to apply for the return of a special Class 4 contribution ►(“the applicant”)◄ shall make the application within the period of six years from the end of the year in which the contribution ►was due to be paid.

This is subject to the following qualification.

PART 9 SPECIAL CLASSES OF EARNERS

Case A – Airmen

Interpretation

111. In this Case, unless the context otherwise requires—

“airman” means a person who is, or has been, employed under a contract of service either as a pilot, commander, navigator or other member of the crew of any aircraft, or in any other capacity on board any aircraft where—

- (a) the employment in that other capacity is for the purposes of the aircraft or its crew or of any passengers or cargo or mails carried on that aircraft; and
- (b) the contract is entered into in the United Kingdom with a view to its performance (in whole or in part) while the aircraft is in flight,

but does not include a person in so far as his employment is as a serving member of the forces;

“British aircraft” means any aircraft belonging to Her Majesty and any aircraft registered in the United Kingdom of which the owner (or managing owner if there is more than one owner) resides or has his principal place of business in the United Kingdom, and references to the owner of an aircraft shall, in relation to an aircraft which has been hired, be taken as referring to the person for the time being entitled as hirer to possession and control of the aircraft by virtue of the hiring or any subordinate hiring.

Modification of employed earner’s employment

112.—(1) Subject to paragraphs (2) and (3), where an airman is employed as such on board any aircraft, and the employer of that airman or the person paying the airman his earnings in respect of the employment (whether or not the person making the payment is acting as agent for the employer) or the person under whose directions the terms of the airman’s employment and the amount of the earnings to be paid in respect of that employment are determined has—

- (a) in the case of the aircraft being a British aircraft, a place of business in Great Britain or Northern Ireland; or
- (b) in any other case, his principal place of business in Great Britain or Northern Ireland,

then, notwithstanding that the airman does not fulfil the conditions of section 2(1)(a) of the Act (definition of employed earner), he shall be treated as employed in employed earner’s employment and, for the purposes of regulation 145(1)(a), in respect of that employment, as present in Great Britain or Northern Ireland (as the case requires).

(2) Subject to paragraph (3), notwithstanding that an airman is employed in an employment to which the provisions of paragraph (1) applies, if that airman is neither domiciled nor has a place of residence in Great Britain or Northern Ireland (as the case requires) no contributions shall be payable by or in respect of him as an employed earner.

(3) Paragraph (2) is subject to any Order in Council giving effect to any reciprocal agreement made under section 179 of the Administration Act (reciprocal agreements with countries outside the United Kingdom).

Application of the Act and regulations

113. Part I of the Act and so much of Part VI of the Act as relates to contributions and the regulations made under those provisions, so far as they are not inconsistent with this Case, apply to an airman with the modification that, where an airman is, on account of his being outside the United Kingdom by reason of his employment as an airman, unable to perform an act required to be done either immediately or upon the happening of a certain event or within a specified time, he shall be deemed to have complied with such requirement if he performs the act as soon as is reasonably practicable, although after the happening of the event or the expiration of the specified time.

Case B – Continental Shelf(a)

Application to employment in connection with continental shelf of Part I of the Act and so much of Part VI of the Act as relates to contributions

114.—(1) For the purposes of section 120 of the Act (employment at sea (continental shelf operations))(b), prescribed employment shall be any employment (whether under a contract of service or not) in any area which may from time to time be designated by Order in Council under section 1(7) of the Continental Shelf Act 1964(c), where the employment is in connection with any activity mentioned in section 11(2) of the Petroleum Act 1998(d) in the designated area.

(2) Where a person is employed in any employment specified in paragraph (1), the provisions of Part I of the Act and so much of Part VI of the Act as relates to contributions shall, subject to the provisions of paragraph (3), apply as though the area so designated were in Great Britain, and notwithstanding that he does not satisfy the conditions as of residence or presence in Great Britain prescribed in regulation 145(1)(a).

(3) Where a person employed in any employment specified in paragraph (1) is, on account of his being outside Great Britain by reason of that employment, unable to perform any act required to be done either immediately or on the happening of a certain event or within a specified time, he shall be deemed to have complied with the requirement if he performs the act as soon as reasonably practicable, although after the happening of the event or the expiration of the specified time.

▶¹(4) Where a continental shelf worker is employed in any employment specified in paragraph (1) and that employment is on or in connection with an offshore installation the secondary contributor is—

- (a) where the employer is present in Great Britain, the employer, or
- (b) where the employer is not present in Great Britain but has an associated company present in Great Britain, the associated company; or,
- (c) where the employer is not present and does not have an associated company present in Great Britain, the oil field licensee.

Where the employer has more than one associated company present in Great Britain the associated company to which sub-paragraph (b) applies is the company which has the greatest taxable total profit within the meaning of section 4 of the Corporation Tax Act(e) 2010 for the accounting period(f) which precedes the tax year in which the contributions are due.

SCHEDULE 2

Regulation 24

CALCULATION OF EARNINGS FOR THE PURPOSES OF EARNINGS-RELATED CONTRIBUTIONS IN PARTICULAR CASES

Calculation of earnings

1. This Schedule contains rules for the calculation of earnings in the assessment of earnings-related contributions in particular cases.

Calculation of earnings in respect of beneficial interest in assets within Part IV of Schedule 3

2.—(1) Except where paragraph 3, 4, 5 or 6 applies, the amount of earnings comprised in any payment by way of the conferment of any beneficial interest in any asset specified in Part IV of Schedule 3, which falls to be taken into account in the

(a) Paragraph 5A was inserted by paragraph 58(7) of Schedule 6 to the 1998 Order.

(b) Paragraph 7BA was inserted by section 80(5) of the 2000 Act.

(c) 1992 c. 8.

(d) 2000 c. 4 (N.I.).

(e) Section 167(1) is cited because of the meaning ascribed to “prescribe”.

(f) 1999 c. 16.

Sch. 2

computation of a person's earnings shall be calculated or estimated at a price which that beneficial interest might reasonably be expected to fetch if sold in the open market on the day on which it is conferred.

(2) For the purposes of sub-paragraph (1), where any asset is not quoted on a recognised stock exchange within the meaning of section 841 of the Taxes Act, it shall be assumed that, in the open market which is postulated, there is available to any prospective purchaser of the beneficial interest in the asset in question all the information which a prudent prospective purchaser might reasonably require if he were proposing to purchase it from a willing vendor by private treaty and at arm's length.

Valuation of beneficial interest in units in a unit trust scheme

3. The amount of earnings which is comprised in any payment by way of the conferment of a beneficial interest in any units in a unit trust scheme (within the meaning of section 237 of the Financial Services and Markets Act 2000) having a published selling price and which falls to be taken into account in the calculation of a person's earnings shall be calculated or estimated by reference to the published selling price on the day in question.

Words substituted in para. 3 of Sch. 2 by article 191 of S.I. 2001/3629 as from 1.12.01.

Here "published selling price" means the lowest selling price published on the date on which the payment in question is made, and where no such price is published on that date, it means the lowest selling price published on the last previous date on which such a price was published.

Conferment of a beneficial interest in an option to acquire asset falling within Part IV of Schedule 3

4. The amount of earnings which is comprised in a payment by way of the conferment of a beneficial interest in an option to acquire any asset falling within Part IV of Schedule 3 shall be calculated or estimated by reference to the amount which would be comprised in accordance with paragraph 2, or, if paragraph 3, 5 or 6 would apply in accordance with that paragraph, in a payment by way of the conferment of a beneficial interest—

- (a) in the asset which may be acquired by the exercise of the option; or
- (b) where that asset (the first asset) may be exchanged for another asset (the second asset) and the value of the beneficial interest in the second asset is greater than that in the first, in that second asset,

on the day on which the beneficial interest in the option is conferred.

The amount shall be reduced by the amount or value, or, if variable, the least amount or value, of the consideration for which the asset may be so acquired.

Readily convertible assets

5.—(1) The amount of earnings which is comprised in—

- (a) any payment by way of the conferment of a beneficial interest in any asset falling within Part III of Schedule 3;
- (b) any payment by way of the conferment of a beneficial interest in any asset falling within Part IV of Schedule 3 which is a readily convertible asset;
- (c) any payment by way of—
 - (i) a voucher, stamp or similar document falling within paragraph 12 of Part IV of that Schedule where the asset for which it is capable of being converted is a readily convertible asset;
 - (ii) a non-cash voucher not falling within Part V (whether or not also falling within paragraph 12 of Part IV of that Schedule) which is capable of being exchanged for a readily convertible asset;

and which is to be taken into account in computing a person's earnings, shall be calculated in accordance with sub-paragraph (2) to (5).

(2) In the case of an asset falling within paragraph 1 of Part III of Schedule 3 the amount is the best estimate which can reasonably be made of ►the amount of general earnings◄ in respect of the provision of the asset.

Words substituted in para. 5 by reg. 7(2) of S.I. 2003/2085 as from 1.9.03.

(3) In the case of an asset falling within paragraph 2 of Part III of Schedule 3, the amount is the best estimate that can reasonably be made of ►the amount of general earnings◄ in respect of the enhancement of its value.

(4) In the case of a voucher, stamp or similar document falling within—

- (a) sub-paragraph(1)(c); or
- (b) paragraph 3 of Part III of Schedule 3,

the amount is the best estimate that can reasonably be made of ►the amount of general earnings◄ in respect of the provision of any asset for which the voucher is capable of being exchanged.

(5) In the case of an asset falling within sub-paragraph(1)(b), the amount is the best estimate that can reasonably be made of ►the amount of general earnings◄ in respect of the provision of the asset.

Assets not readily convertible: beneficial interests in alcoholic liquor on which duty has not been paid, gemstones and certain vouchers and non-cash vouchers

6. The amount of earnings comprised in any payment by way of the conferment of a beneficial interest in—

- (a) an asset which—
 - (i) falls within paragraph 9 or 10 of Part IV of Schedule 3 (payments by way of alcoholic liquor on which duty has not been paid or by way of gemstones not to be disregarded as payments in kind), and
 - (ii) is not a readily convertible asset;
- (b) a voucher, stamp or similar document which falls within paragraph 12 of Part IV of that Schedule and which is not capable of being exchanged for a readily convertible asset; or
- (c) a non-cash voucher not excluded by virtue of Part 5 of that Schedule and which falls within paragraph 12 of Part IV of that Schedule (assets not to be disregarded as payments in kind) which is not capable of being exchanged for a readily convertible asset;

shall be calculated or estimated on the basis of the cost of the asset in question.

Here “the cost of the asset” in relation to any voucher, stamp or similar document includes the cost of any asset for which that voucher, stamp or similar document is capable of being exchanged.

Convertible and restricted interests in securities and convertible and restricted securities

►7.—(1) The amount of earnings comprised in any payment by way of the conferment of—

Para. 7 substituted by reg. 5 of S.I. 2004/2096 as from 1.9.04.

- (a) a convertible interest in securities;
- (b) a restricted interest in securities; or
- (c) an interest in convertible or restricted securities,

falling to be taken into account in computing a person's earnings from employed earner's employment shall be computed in the same manner, and shall be taken into account at the same time, as applies under Chapters 1 to 5 of Part 7 of ITEPA 2003(a),

(a) Chapters 1 to 5 of Part 7 of ITEPA 2003 have been amended by Schedule 22 to the Finance Act 2003 (c. 14).

Sch. 2

for the purpose of computing his employment income.

This is subject to the following qualification.

(2) For the purpose of sub-paragraph (1) no account shall be taken of any relief obtained under sections 428A or 442A of ITEPA 2003(a) (relief for secondary Class 1 contributions met by employee).◀

Paras. 8 to 10 omitted & para. 11 substituted by reg. 7(4) & (5) of S.I. 2003/2085 as from 1.9.03.

8.-10. ▶◀**►Exercise of a replacement right to acquire shares, obtained as an earner before 6th April 1999**

11.—(1) This paragraph applies if—

- (a) an earner obtained, before 6th April 1999, a right to acquire shares in a body corporate;
- (b) the earner subsequently obtained a replacement right (within the meaning given in paragraph 16A(3) of Part 9 of Schedule 3(b));
- (c) the replacement right is exercised;
- (d) paragraph 11A of this Schedule(c) does not apply; and
- (e) paragraph 16A of Part 9 of Schedule 3 does not apply because sub-paragraph (4) of that paragraph is not satisfied.

(2) If this paragraph applies, the amount of earnings comprised in any payment realised by the exercise of the replacement right shall be calculated or estimated in accordance with sub-paragraph (3).

(3) The basis for calculating the amount of a gain realised by the exercise of the replacement right shall be the best estimate that can reasonably be made of the amount found as follows.

Step One

Find the amount (if any) by which the sum of—

- (a) the market value of the shares acquired by the exercise of the replacement right; and
- (b) the market value of any other benefit in money or money's worth obtained by the exercise of the replacement right;

exceeds the amount required to be paid for the exercise of that right.

Step Two

Find the amount (if any) by which the market value of the shares, which were the subject of the right assigned or released on the first occasion in respect of which the condition in paragraph 16A(4) of Part 9 of Schedule 3 is not satisfied, exceeds the amount required to be paid for the exercise of that right immediately before that time.

Step Three

Subtract the amount found by Step Two from the amount found by Step One.

Step Four

Subtract from the result of Step Three—

- (a) any amount taken into account in computing the earner's earnings for the purposes of Class 1 contributions at the time of the grant of the first right; and

(a) Sections 428A and 442A of ITEPA 2003 were inserted by paragraphs 1(3) and 2(3) of Schedule 16 to the Finance Act 2004 (c. 12).

(b) Paragraph 16A is inserted by regulation 12(13) of this instrument as part of the substitution for the former paragraph 16.

(c) Paragraph 11A was inserted by regulation 3 of S.I. 2003/1059.

- (b) any amount given by or on behalf of the earner as consideration for the acquisition of the first right or any replacement right, but “consideration” does not include the value of any right assigned or released in exchange for the acquisition of a replacement right.

Subject to the following qualification, the result of this step is the amount of earnings referred to in sub-paragraph (2) above.

If the result of this step is a negative value, it is treated as nil for the purposes of computing the earner’s earnings.

(4) In this paragraph—

- (a) “market value” means the price which the shares which are the subject of the right in question might reasonably be expected to fetch on a sale in the open market;
- (b) neither the consideration given for the grant of any right to acquire shares, nor any entire consideration, shall be taken to include the performance of the duties in connection with the office or employment by reason of which the right was granted;
- (c) no amount or value of the consideration given for the grant of a right to acquire shares shall be taken into account more than once;
- (d) “shares” includes stock;
- (e) “body corporate” includes—
 - (i) a body corporate constituted under the law of a country or territory outside the United Kingdom; and
 - (ii) an unincorporated association wherever constituted; and
- (f) references to the release of a share option include agreeing to the restriction of the exercise of the option. ◀

▶¹Exercise, assignment or release of share option - market value of option or resulting shares increased by things done otherwise than for genuine commercial purposes

¹Para. 11A inserted by reg. 3(3) of S.I. 2003/1059 as from 10.4.03.

11A.—(1) This paragraph applies for calculating or estimating the amount of earnings which is comprised in a payment which—

- (a) would be disregarded in the computation of earnings for the purposes of earnings-related contributions by virtue of paragraph 16 of Part 9 of Schedule 3; but
- (b) is not disregarded because paragraph 17 of that Part applies to it.

(2) If this paragraph applies, the amount of earnings to be taken into account for the purpose of earnings related contributions is the amount which would, but for paragraph 16 ▶²or 16A◀ of Part 9 of Schedule 3, have been taken into account by virtue of section 4(4)(a) of the Act(a).

²Words inserted in para. 11A(2) by reg. 7(6) of S.I. 2003/2085 as from 1.9.03.

This is subject to the following qualification.

(3) If—

- (a) the right to acquire shares in a body corporate is not capable of being exercised more than ten years after the date on which it was obtained,
- (b) an amount of earnings was taken into account for the purpose of earnings-related contributions in respect of the earner’s obtaining that right, at the time he obtained it (“the deductible amount”), and

(a) Subsection (4) was substituted by section 50(1) of the Social Security Act 1998 (c. 14), and paragraph (a) was further substituted by paragraph 172(2) of Schedule 6 to the Income Tax (Earnings and Pensions) Act 2003 (c. 1). As to the construction of references in the principal Regulations to enactments not applying in Northern Ireland, see regulation 156(3) of those Regulations.

- (c) no exercise, assignment or release of the whole or any part of—
 - (i) that right,
 - (ii) any right replacing that right (“a replacement right”), or
 - (iii) any subsequent replacement right,
- has occurred on or after 10th April 2003,

the deductible amount may be deducted from the amount otherwise to be taken into account by virtue of this paragraph.◀

(2) In this paragraph a “qualifying childcare voucher” means a non-cash voucher in relation to which conditions A to D (see sub-paragraphs (7) to (11)) are met.

(3) Where the chargeable expense of the voucher exceeds the exempt amount, only that amount shall be disregarded by virtue of sub-paragraph (1).

(4) The exempt amount is the amount found by the formula—

$$E \times QW$$

Here—

E is, in the case of an employee the sum of—

- (a) ►²£25◀, if the relevant earnings amount for the tax year, as estimated in accordance with Condition D, exceeds the higher rate limit for the tax year;

29K.—(1) For the purposes of this Chapter, Part 6 of the Taxes Management Act 1970 (collection and recovery)(a) applies as if—

and that Part of that Act applies with the modification specified in sub-paragraph (2) and any other necessary modifications.
