EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Financial Services and Markets Act 2000 (Disclosure of Confidential Information) Regulations 2001 (“the principal Regulations”). They update references to the “listing particulars directive” to give effect to Directive [2001/34/EC](#) of the European Parliament and of the Council of 28th May 2001 on the admission of securities to official stock exchange listing and on information to be published on those securities (OJ L184, 6.7.2001, p.1). That Directive consolidates and revokes the previous directives relating to the listing of securities.

These Regulations (regulation 2(4)(a)) also modify the transitional provisions in the principal Regulations to provide that the competent authority under Part IV of the Financial Services Act 1986 is treated as a “primary recipient” of information which it received in that capacity before the repeal of that Act.

The Regulations also insert new entries into the tables in Parts 1 and 4 of Schedule 1 to the principal Regulations. The former entry allows disclosure of confidential information as defined in section 348(2) of the Financial Services and Markets Act 2000 ([2000 c. 8](#)) to investment exchanges recognised under the law of States in the European Economic Area (EEA) for the purposes of their functions as supervisors of financial markets. The latter allows disclosure of such information to clearing houses and similar bodies recognised under the laws of EEA States for the purposes of their functions in relation to defaults or potential defaults by market participants. Disclosure in either case is subject to the conditions set out in regulations 9, 10 and 12 of the principal Regulations.

The Regulations also insert a reference to the National Lottery Commission into Schedule 2 to the principal Regulations, and make provision allowing the Commission to disclose information to which Part IV of those Regulations applies to the National Audit Office for the purpose of enabling or assisting the Comptroller and Auditor General to carry out an examination of the Commission under Part II of the National Audit Act 1983.
