2001 No. 499

**The Rail Vehicle Accessibility (Midland Mainline
Class 170/1 Vehicles) Exemption Order 2001**

3. In this Order—

“train” means two or more vehicles constructed or adapted to carry passengers on any railway, coupled together;

“reference wheelchair” has the same meaning as in regulation 2;

“wheelchair space” means a space provided in a train for reference wheelchairs whether or not it complies with the requirements of regulation 16.
