International securities self-regulating organisations

35.—(1) There are excluded from article 25(1) and (2) any arrangements made for the purposes of carrying out the functions of a body or association which is approved under this article as an international securities self-regulating organisation, whether the arrangements are made by the organisation itself or by a person acting on its behalf.

(2) The Treasury may approve as an international securities self-regulating organisation any body corporate or unincorporated association with respect to which the conditions mentioned in paragraph (3) appear to them to be met if, having regard to such matters affecting international trade, overseas earnings and the balance of payments or otherwise as they consider relevant, it appears to them that to do so would be desirable and not result in any undue risk to investors.

(3) The conditions are that—

- (a) the body or association does not have its head office in the United Kingdom;
- (b) the body or association is not eligible for recognition under section 287 or 288 of the Act (applications by investment exchanges and clearing houses) on the ground that (whether or not it has applied, and whether or not it would be eligible on other grounds) it is unable to satisfy the requirements of one or both of paragraphs (a) and (b) of section 292(3) of the Act (requirements for overseas investment exchanges and overseas clearing houses);
- [^{F46}(ba) the body or association is also not eligible to become an EEA central counterparty (as defined in section 285(1)(c) of the Act) or a third country central counterparty (as defined in section 285(1)(d) of the Act);]
- (c) the body or association is able and willing to co-operate with [^{F47}the FCA and the PRA] by the sharing of information and in other ways;
- (d) adequate arrangements exist for co-operation between [^{F47}the FCA and the PRA] and those responsible for the supervision of the body or association in the country or territory in which its head office is situated;
- (e) the body or association has a membership composed of persons falling within any of the following categories, that is to say, authorised persons, exempt persons, and persons whose head offices are outside the United Kingdom and whose ordinary business involves them in engaging in activities which are activities of a kind specified by this Order (or would be apart from any exclusion made by this Part); and
- (f) the body or association facilitates and regulates the activity of its members in the conduct of international securities business.

(4) In paragraph (3)(f), “international securities business” means the business of buying, selling, subscribing for or underwriting investments (or agreeing to do so), either as principal or agent, where—

- (a) the investments are securities or [^{F48}relevant investments] and are of a kind which, by their nature, and the manner in which the business is conducted, may be expected normally to be bought or dealt in by persons sufficiently expert to understand the risks involved; and
- (b) either the transaction is international or each of the parties may be expected to be indifferent to the location of the other;

and, for the purposes of this definition, it is irrelevant that the investments may ultimately be bought otherwise than in the course of such business by persons not so expert.

(5) Any approval under this article is to be given by notice in writing; and the Treasury may by a further notice in writing withdraw any such approval if for any reason it appears to them that it is not appropriate to it to continue in force.
