## Notional capital

21.—[<sup>F61</sup>(1) A claimant shall be treated as possessing capital of which he has deprived himself for the purpose of securing entitlement to state pension credit or increasing the amount of that benefit except to the extent that the capital which he is treated as possessing is reduced in accordance with regulation 22 (diminishing notional capital rule).]

- (i) that week is a week subsequent to the relevant week, and

(2) This paragraph applies to a benefit week where the claimant satisfies the conditions that—

- (a) he is in receipt of state pension credit; and
- (b) but for regulation [<sup>F64</sup>21(1)], he would have received an additional amount of state pension credit in that benefit week;

and in such a case, the amount of the reduction for the purposes of paragraph (1)(a) shall be equal to that additional amount.

(3) Subject to paragraph (4), for the purposes of paragraph (1)(b) the condition is that the claimant would have been entitled to state pension credit in the relevant week, but for regulation [<sup>F64</sup>21(1)], and in such a case the amount of the reduction shall be equal to the aggregate of—

- (a) sub-paragraphs (a) to (c) of paragraph (3) shall apply as if for the words “relevant week” there were substituted the words “ relevant subsequent week ”; and
  - (b) subject to paragraph (6), the amount as re-determined shall have effect from the first week following the relevant subsequent week in question.
- (5) The conditions are that—
- (a) a further claim is made 26 or more weeks after—
    - (i) the date on which the claimant made a claim for state pension credit in respect of which he was first treated as possessing the capital in question under regulation [F6421(1)]; or
    - (ii) in a case where there has been at least one re-determination in accordance with paragraph (4), the date on which he last made a claim for state pension credit which resulted in the weekly amount being re-determined; or
    - (iii) the date on which he last ceased to be in receipt of state pension credit, whichever last occurred; and
  - (b) the claimant would have been entitled to state pension credit but for regulation [F6421(1)].
- (6) The amount as re-determined pursuant to paragraph (4) shall not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount shall continue to have effect.
- (7) For the purpose of this regulation—
- (a) “relevant week” means the benefit week in which the capital in question of which the claimant has deprived himself within the meaning of regulation [F6421(1)]—
    - (i) was first taken into account for the purpose of determining his entitlement to state pension credit; or
    - (ii) was taken into account on a subsequent occasion for the purpose of determining or re-determining his entitlement to state pension credit on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, state pension credit;
