(4) Section 18(1) above does not apply to a person, and that person shall not be registered as a visiting EEA practitioner, at a time when he is subject to a prohibition imposed by a Fitness to Practise Panel under this section.

(5) Before determining whether to terminate a prohibition under subsection (3) above, the General Council shall require the person applying for its termination to provide such evidence as they direct as to one or more of his good character, professional competence and health; and they shall not terminate the prohibition if that evidence does not satisfy them.

(6) Where, during the same period of prohibition, a second or subsequent application for termination of the prohibition, made by or on behalf of a person on whom the prohibition has been imposed, is unsuccessful, the General Council may direct that his right to make any further such applications shall be suspended indefinitely.
