

SCHEDULE 3

Regulation 17(1), 18(2)(a) and (b)

LICENSED SEED SAMPLERS

PART I

Species of seed that may be sampled by a licensed seed sampler

All seed of a species to which the Seed Marketing Regulations apply except seed of a species to which the Vegetable Seed (England) Regulations 2002 apply.

PART II

Functions that may be specified in a seed sampler's licence

1. To sample seed in accordance with the Seed Marketing Regulations and to submit sealed samples of such seed for an official examination or examination under official supervision.
2. To keep records of seed lots sampled by him and the methods of sampling used.
3. To keep records of the use by him of labels issued or authorised by the Secretary of State.
4. To ensure that packages of seed are labelled or re-labelled and sealed or re-sealed in accordance with the Seed Marketing Regulations.
5. To ensure that mixtures of seed are labelled or re-labelled and sealed or re-sealed in accordance with the Seed Marketing Regulations.
6. To ensure that sampling equipment, including automatic sampling devices, operated by him in carrying out his functions operates correctly at all times.

PART III

Conditions that may be imposed by a seed sampler's licence

1. To carry out his functions subject to supervision by authorised officers.
2. To carry out his functions in accordance with any instructions relating thereto issued by or on behalf of the Secretary of State.
3. To attend such training courses and undergo such examinations as the Secretary of State may, from time to time, require.
4. To notify the Secretary of State within 21 days of any change in his residential address.
