Application of Part I of the Compulsory Purchase Act 1965

- 17.—(1) Part I of the 1965 Act, in so far as not modified by or inconsistent with the provisions of this Order, shall apply to the acquisition of land under this Order—
- (a) as it applies to a compulsory purchase to which the Acquisition of Land Act 1981 applies; and
 - (b) as if this Order were a compulsory purchase order under that Act.
- (2) Part I of the 1965 Act, as so applied, shall have effect as if—
- (a) section 4 (which provides a time limit for compulsory purchase of land) and paragraph 3(3) of Schedule 3 (which makes provision as to the giving of bonds) were omitted; and
 - (b) in section 11(1) (which confers power to enter on and to take possession of land subject to a notice to treat on giving not less than 14 days' notice) for the reference to 14 days' notice there were substituted—
 - (i) in a case where the notice to treat relates only to the acquisition of subsoil or the acquisition of an easement or other right over the land, a reference to notice of one month; or
 - (ii) in any other case, a reference to notice of 3 months.

Powers to acquire new rights

- 18.—(1) The Council may compulsorily acquire such easements or other rights over any land referred to in paragraph (1) of article 15 as may be required for any purpose for which that land may be acquired under that provision, by creating them as well as by acquiring easements or other rights already in existence.
- (2) Subject to section 8 of the 1965 Act (as substituted by paragraph 5 of Schedule 4 to this Order), where the Council acquires a right over land under paragraph (1) the Council shall not be required to acquire a greater interest in it.
- (3) Schedule 4 to this Order shall have effect for the purpose of modifying the enactments relating to compensation and the provisions of the 1965 Act in their application in relation to the compulsory acquisition under this article of a right over land by the creation of a new right.

Rights in streets

19.—(1) The Council may enter upon and appropriate so much of the subsoil of, or air-space over, any street within the limits of land to be acquired as may be required for the purposes of the authorised works and may use the subsoil or air-space for those purposes or any other purpose connected with or ancillary to the busway system.

(2) The power under paragraph (1) may be exercised in relation to a street without the Council being required to acquire any part of the street or any easement or right in the street.

(3) Any person, who is an owner or occupier of land in respect of which the power of appropriation conferred by paragraph (1) is exercised without the Council acquiring any part of that person's interest in the land and who suffers loss by the exercise of that power, shall be entitled to compensation to be determined, in case of dispute, under Part I of the Land Compensation Act 1961.

(4) Paragraph (2) shall not apply in relation to—

- (a) any subway or underground building, or
- (b) any cellar, vault, arch or other construction in or on a street which forms part of a building fronting onto the street.

(5) For the avoidance of doubt, the powers given by articles 6, 7 and 8 shall, where their exercise requires appropriation and use of sub-soil or air-space under this article or the acquisition of land or a right in land, be limited to the limits of land to be acquired.
