EXPLANATORY NOTE

(This note is not part of the Order)

Part I of the Local Government Act 1999 imposes requirements on local authorities and other authorities (the best value authorities listed in section 1 of that Act) relating to economy, efficiency and effectiveness in exercise of their functions (Best Value). Section 4(1) of that Act confers a power on the Secretary of State to specify by Order best value performance indicators and standards. This Order specifies performance indicators by reference to which a best value authority’s performance in exercising functions can be measured. The Order also specifies standards in respect of particular functions and particular best value authorities.

The performance indicators specified in this Order apply in respect to the best value authorities specified in articles 3 to 9, 11 and 14 to 16 of the Order and in relation to authorities specified in those articles.

The performance standards specified in this Order apply in respect to the best value authorities specified in articles 10 and 13 and in relation to the best value authorities specified in those articles.

Article 3 and Schedule 1 to the Order refer to general indicators which apply in respect of all the functions of best value authorities listed in that Article.

Article 4 and Schedule 2 to the Order refer to community safety indicators which apply to the best value authorities specified in that Article in relation to their community safety function.

Article 5 and Schedule 3 to the Order refer to education indicators which apply to the authorities listed in that article in relation to their education function.

Article 6 and Schedule 4 to the Order refer to social services indicators which apply to the authorities listed in that article in relation to their social services function.

Article 7 and Schedule 5 refer to housing and related services which applies to the authorities listed in that article in relation to their housing function.

Article 8 and Schedule 6 to the Order refer to housing benefit and council tax benefit indicators which apply to the authorities listed in that article in relation to their housing benefit and council tax benefit function.

Article 9 and Schedule 7 to the Order refer to environmental services indicators which apply to the authorities listed in that article in relation to their environmental services function.

Article 10 and Schedule 8 to the Order refer to waste standards which apply to the authorities listed in that article in relation to their waste function.

Article 11 and Schedule 9 to the Order refer to transport indicators which apply to the authorities listed in that article in relation to their transport function.

Article 12 and Schedule 10 to the Order refer to planning indicators which apply to the authorities listed in that article in relation to their planning function.

Article 13 and Schedule 11 to the Order refer to planning standards which apply to the authorities listed in that article in relation to their planning function.

Article 14 and Schedule 12 to the Order refer to Environmental Health and Trading Standards indicators which apply to the authorities listed in that article in relation to their Environmental Health and Trading Standards function.

Article 15 and Schedule 13 to the Order refer to cultural services indicators which apply to the authorities listed in that article in relation to their cultural services function.

Article 16 and Schedule 15 to the Order refer to fire services indicators which apply to fire authorities in England and Wales.

Article 17 and Schedule 16 to the Order refer to a community legal service indicator which applies to the authorities listed in that article in relation to their community legal services function.

This Order refers to a number of documents which are relevant to the various performance indicators and performance standards. Details of how to obtain copies of those documents are set out below.
