**2003 No. 1482**

**The Animal By-Products Regulations 2003**

**PART 8**

**Administration and enforcement**

**Notice requiring the disposal of animal by-products or catering waste**

**43.** If an inspector considers it necessary for animal or public health purposes or if any provision of these Regulations or the Community Regulation is not being complied with, he may—

- (a) serve a notice on any person in possession or control of any animal by-product requiring him to dispose of it as may be specified in the notice; or
- (b) serve a notice on the occupier of any premises prohibiting animal by-products being brought on to the premises, or only permitting this in a way specified in the notice.
