The Secretary of State, in exercise of the powers conferred on him by sections 16(1)(e), 17(1), 26(1) and (3) and 48(1) of the Food Safety Act 1990(a) and now vested in him(b), and having had regard in accordance with section 48(4A) of that Act to relevant advice given by the Food Standards Agency, and after consultation both as required by Article 9 of Regulation (EC) No. 178/2002 of the European Parliament and of the Council laying down the general principles and requirements of food law, establishing the European Food Safety Authority and laying down procedures in matters of food safety(c) and in accordance with section 48(4) and (4B) of that Act, makes the following Regulations:

Title, commencement and application

1. These Regulations—
 - (a) may be cited as the Fruit Juices and Fruit Nectars (England) Regulations 2003;
 - (b) shall come into force on 12th July 2003; and
 - (c) shall apply to England only.

Interpretation

- 2.—(1) In these Regulations—

“the Act” means the Food Safety Act 1990;

“catering establishment” means a restaurant, canteen, club, public house, school, hospital or similar establishment (including a vehicle or a fixed or mobile stall) where, in the course of a business, food is prepared for delivery to the ultimate consumer and is ready for consumption without further preparation;

“designated product” means, subject to paragraph (2), any food specified in Column 2 of Schedule 1;

(a) 1990 c. 16.

(b) Functions formerly exercisable by “the Ministers” (being, in relation to England and Wales and acting jointly, the Minister of Agriculture, Fisheries and Food and the Secretaries of State respectively concerned with health in England and food and health in Wales and, in relation to Scotland, the Secretary of State) are now exercisable in relation to England by the Secretary of State pursuant to paragraphs 7 and 8 of Schedule 5 to the Food Standards Act 1999 (c. 28), and paragraphs 12 and 21 of that Schedule amend sections 17(1) and 48 of the 1990 Act. Functions of “the Ministers” so far as exercisable in relation to Wales were transferred to the National Assembly for Wales by the National Assembly for Wales (Transfer of Functions) Order 1999 (S.I. 1999/672), as read with section 40(3) of the 1999 Act, and those functions so far as exercisable in relation to Scotland were transferred to the Scottish Ministers by section 53 of the Scotland Act 1998 (c. 46), as read with section 40(2) of the 1999 Act. Regulation 13(4) of the Food Standards Act 1999 (Transitional and Consequential Provisions and Savings) (England and Wales) Regulations 2000 (S.I. 2000/656) expressly authorises the Secretary of State to amend or revoke existing Regulations made or having effect as if made by the Minister of Agriculture, Fisheries and Food (whether with others or not) under the 1990 Act.

(c) OJ No. L31, 1.2.2002, p. 1.

“Directive 95/2/EC” means Directive 95/2/EC of the European Parliament and of the Council on food additives other than colours and sweeteners(a);

“EEA State” means a State which is a Contracting Party to the Agreement on the European Economic Area(b) signed at Oporto on 2nd May 1992 as adjusted by the Protocol(c) signed at Brussels on 17th March 1993;

“food authority” does not include—

- (a) the council of a district in a non-metropolitan county except where the county functions have been transferred to that council pursuant to a structural change; or
- (b) the appropriate Treasurer referred to in section 5(1)(c) of the Act (which deals with the Inner Temple and the Middle Temple);

“reserved description”, as respects any designated product, means any description specified in relation to that product in Column 1 of Schedule 1;

“the 1996 Regulations” means the Food Labelling Regulations 1996(d); and

“ultimate consumer” means any person who buys otherwise than—

- (a) for the purpose of resale;
- (b) for the purposes of a catering establishment; or
- (c) for the purposes of a manufacturing business.

(2) Notwithstanding the fact that a food is specified in Column 2 of Schedule 1, it will only be treated as a “designated product” for the purposes of these Regulations if—

- (a) it has been prepared from any fruit material described in Schedule 2 either with or without any other raw material listed in that Schedule;
- (b) where it contains any additional ingredient, that ingredient is authorised for the food in question by Schedule 3;
- (c) being a food bearing the reserved description “fruit juice”, “concentrated fruit juice”, “fruit juice from concentrate” or “dehydrated or powdered fruit juice”, it has not been prepared by adding to it—
 - (i) both sugars and lemon juice (whether concentrated or not), or
 - (ii) both sugars and acidifying agents as permitted by Directive 95/2/EC;
- (d) where it has been prepared by using any treatment or additional substance, that treatment or substance is specified in Schedule 4; and
- (e) being a food bearing the reserved description “fruit nectar”, it contains the minimum juice or purée content specified in Schedule 5 read together with the Note to that Schedule.

- (b) such description, derivative or word is used in such a context as to indicate explicitly or by clear implication that the substance to which it relates is only an ingredient of that food; or
- (c) such description, derivative or word is used in such a context as to indicate explicitly or by clear implication that such food is not and does not contain a designated product.

- (f) in the case of a fruit nectar, its labelling bears an indication of the minimum amount of fruit juice, or fruit purée, or mixture of fruit juice and fruit purée, that it contains, with the words “fruit content :[x] % minimum” (there being substituted for “[x]” the appropriate figure) appearing in the same field of vision as the reserved description; and
- (g) in the case of a concentrated fruit juice not intended for delivery to the final consumer, it bears an indication on its packaging, on a label attached to its packaging, or in an accompanying document, of the presence and quantity in it of any—
