EXPLANATORY NOTE

(This note is not part of the Regulations)

These regulations amend the Marriages (Approved Premises) Regulations 1995 to permit an application for the renewal of approval of premises for the solemnization of marriages at any time during the last twelve months of the approval and within a month of the expiry of the previous approval. In the latter case the expired approval is reinstated until the application is either determined or withdrawn.

These regulations impose no costs on business.
