2003 No. 2110

The Measuring Equipment (Liquid Fuel and Lubricants) (Amendment) Regulations 2003

Effect and interpretation

2. These Regulations have effect for the purposes of further amending the Measuring Equipment (Liquid Fuel and Lubricants) Regulations 1995⁽¹⁾ (“the principal Regulations”); and accordingly a reference to a numbered provision in the following provisions of these regulations is a reference to the provision so numbered in the principal Regulations.

⁽¹⁾ S.I.1995/1014, as amended by S.I. 1998/2218.
