**144.**—(1) In this regulation—

“the current total tax” means the total tax to date required to be recorded in the deductions working sheet by an employee under regulation 143(2)(b);

“the previous total tax” means the total tax to date (if any) required to be recorded for the previous tax quarter in the tax year.

(2) If, in relation to any tax quarter, the current total tax exceeds the previous total tax, the employee must pay the excess to the Inland Revenue, within 14 days after the end of the tax quarter.

(3) But if, in relation to any tax quarter, the previous total tax exceeds the current total tax, the employee may recover the excess—

- (a) by deducting it from the amount payable under paragraph (2) for a later quarter in the tax year, or
- (b) from the Board of Inland Revenue.

(4) If the employee's code is a K code, the amount payable under paragraph (2) is not to exceed the overriding limit in relation to the relevant payments which the employee has received in that tax quarter.

(5) Any amount which is not payable because of the application of paragraph (4) must be added to the current total tax for the purpose of the calculation in paragraph (2) or (3) for the next tax quarter (if any) of that tax year.
