

SCHEDULE

Requirements for notifications to applicants and licence-holders

3. Before the licensing authority takes any relevant action against any person, the authority—
 - (a) shall give to that person notice in writing or electronic form—
 - (i) that it is considering taking the action and the reasons why; and
 - (ii) that the person may, within a period specified in the notice, make in writing or electronic form representations to the authority or, if the person so requests, make oral representations to the authority; and
 - (b) shall consider any representations which are duly made and not withdrawn.
