Powers to determine an appeal without a hearing

27.—(1) The Appeal Panel may determine an appeal without an oral hearing on the basis of any documents provided by the appellant under rule 21 or 24(2) where—

- (a) the Council does not receive a reply from the appellant within the time specified in rule 24(1) and the Appeal Panel is satisfied that all reasonable steps have been taken to give notice under rule 23(1), or the appellant replies under rule 24(1) to the effect that she does not wish to attend or be represented;
- (b) the Appeal Panel has notified the appellant and the Registrar of its intention to do so; and
- (c) the Appeal Panel considers it desirable to do so having taken into account any representations received in response to the notice referred to in paragraph (b).

(2) If the Appeal Panel decides under paragraph (1) to determine an appeal without an oral hearing, it shall take into account any written representations provided in accordance with rule 24(5) or written representations from the Registrar received by the Council before the beginning of the period of seven days ending with the date on which the Appeal Panel determines the appeal.

Postponement or adjournment of a hearing

28.—(1) The Appeal Panel, either of its motion or at the request of a party to the hearing, may postpone a hearing at any time before it begins and may adjourn the proceedings from time to time as it thinks fit.

(2) Where a hearing is postponed the Registrar shall send the appellant notice of the date on which the Appeal Panel is to hold the postponed hearing.

(3) The date for a postponed hearing shall not be fixed for any date before the end of the period of 14 days beginning with the day on which the Registrar sends the notice referred to in paragraph (2) to the appellant.

Absence of the appellant

29. Where—

- (a) the Council has fixed a date for a hearing; and
- (b) the appellant has informed the Council that she intends to attend or be represented; but

the Appeal Panel may nevertheless proceed with the hearing if it is satisfied that all reasonable steps have been taken to give notice of the hearing to the appellant.

Conduct of the hearing

30.—(1) The hearing shall be held in public unless the Appeal Panel is satisfied that, in the interests of justice or for the protection of the private life of the appellant, any person giving evidence or of any patient or client, the public should be excluded from all or part of the hearing.

(2) At the beginning of the hearing the Chair shall explain to the parties the order of proceedings which the Appeal Panel proposes to adopt.

(3) The Appeal Panel shall conduct the hearing in such manner as it considers most suitable to the clarification of the issues before it and generally to the just handling of the proceedings and the parties shall be heard in such order as the Appeal Panel shall determine having regard to the following—

- (d) the Registrar or any person called on her behalf may be cross-examined by the appellant and, in the case of a person called on the Registrar’s behalf, re-examined by the Registrar;
- (e) the Registrar may address the Appeal Panel on her case in respect of the decision appealed against or her failure to issue a decision; and
- (f) the appellant may address the Appeal Panel on her case in respect of her appeal.

(4) The parties shall be entitled to give evidence, to call witnesses, to question any witnesses and to address the Appeal Panel both on the evidence and generally on the subject matter of the appeal.

(5) Subject to paragraph (6) where the appellant or the Registrar are represented, references in paragraphs (3) and (4) to the appellant or the Registrar

- (b) calling, or questioning witnesses;
- (c) cross-examining or re-examining witnesses;
- (d) or addressing the Panel,

shall be read as references to the representative of the appellant or the Registrar as the case may be.

(6) Except as provided in paragraph (5) references in paragraph (3) to the Registrar shall be references to the Registrar or any other person nominated by her to appear on her behalf.

(2) In paragraph (1) the “appropriate court” means a county court or, in Scotland, a sheriff.

(3) The Appeal Panel may hear or receive evidence which would not be admissible in such proceedings if it is satisfied that admission of that evidence is necessary in order to protect members of the public.

(4) The Appeal Panel may require any person (other than the appellant) to attend a hearing and give evidence or produce documents.

(5) At any hearing the Appeal Panel may, if it is satisfied that it is just and reasonable to do so, permit a party to rely on grounds not stated in the notice of appeal or to adduce any evidence not presented to the Registrar before she took the disputed decision.

(6) Where the appellant has been convicted of a criminal offence, a certified copy of the certificate of conviction (or, in Scotland, an extract conviction) shall be admissible as proof of that conviction and of the findings of fact upon which it was based.

EXPLANATORY NOTE

(This note is not part of the Order)

This Order, which is made under the Nursing and Midwifery Order 2001, approves Rules made by the Nursing and Midwifery Council (“NMC”) which deal in Part 1 with general provisions relating to commencement and interpretation; in Part 2 with Education; in Part 3 with Registration; and in Part 4 with Registration Appeals.

Part 1

Rule 1 provides for the Rules to come into force on 1st August 2004.

Rule 2 provides definitions of terms used in the Rules.

Part 2

Rule 3 contains requirements to be observed by a nurse or midwife in respect of education to be undertaken where she first applies for registration more than five years after being awarded the qualification on which her application is based; whose registration has lapsed and who, in the five years before she applies for readmission to the register, has practised for less than 750 hours; or who has practised for less than 450 hours since she last renewed her registration. There is a transitional provision to ensure that, until two years after the coming into force of these rules, training undertaken under the previous arrangements will be taken into account in determining whether she satisfies the last of these.

The rule also requires nurses and midwives to undertake continuing professional development in accordance with standards set by the NMC; and contains requirements to be met by training leading to a qualification which is subject to automatic recognition by other EEA States and Switzerland under Directive [77/452/EEC](#) (nurses) or [80/154/EEC](#) (midwives).

Part 3

Rule 4 contains provisions relating to the register to be maintained by the NMC. It provides what information is to be kept on the register about registered nurses and midwives (name, address, qualifications etc). A home address is not to be included in the published register without the consent of the nurse or midwife concerned.

Rule 5 sets out the process of applying for admission to the register and the evidence to be provided in support of the application.

Rule 6 sets out what evidence of good character and good health is to be supplied by a nurse or midwife applying for admission to the register .

Rule 7 prescribes 5 years as the period after which a person applying for admission to the register for the first time after obtaining the relevant qualification must undertake additional training.

Rule 8 provides that where an application is made on the basis of a qualification awarded outside the EEA and the Registrar is not satisfied that the applicant meets the standards required, the evaluation fee paid under the Nursing and Midwifery Council (Fees) Rules 2004 will not be refunded; and the application will be retained until the time for any appeal expires after which another application may be made accompanied by another evaluation fee.

Rule 9 provides that an applicant for registration who is not exercising a right under European Community law may be required to produce evidence that she has sufficient knowledge of English to be able to practise safely and competently.

Rule 10—A nurse or midwife will renew her registration at the end of a registration period which is generally three years. This rule sets out how a registration period is determined in various circumstances including the general case but also following a first application for admission to the register and after readmission or restoration to the register.

Rules 11 and 13 set out the procedure for renewal of registration.

Rule 12 relates to the addresses to which notices are to be sent under the Rules and the date on which they are presumed to have been sent.

Rule 14 concerns the lapse of registration on application by the registered nurse or midwife or on a failure to satisfy requirements as to continuing professional development or other additional education, training or experience. Registration shall not lapse merely for non-payment of a fee or failure to apply for renewal where the nurse or midwife concerned is the subject of an allegation or of investigations or proceedings under Part V or Part VI of the Nursing and Midwifery Order.

Rule 15 sets out the procedure for readmission to the register.

Rule 16 requires registrants to notify the Registrar of a change of name or address and provides for the Registrar to amend the register following such notification, to reflect an order made by a Practice Committee or to reflect other relevant information.

Rule 17 provides that a registration fee relating to any complete year after a nurse or midwife retires on reaching her occupational retirement age or on grounds of ill-health may be refunded.

Part 4

Rule 18 defines terms used in that Part of the Rules.

Rule 19 relates to the addresses to which documents are to be sent and the date on which they are to be treated as sent.

Rule 20 provides that an appeal must be made within 28 days of the decision appealed against or, where there has been a failure to issue a decision, within 28 days of the date by which a decision should have been given.

Rule 21 describes how notice of an appeal must be given.

Rule 22 provides that the Council shall acknowledge the notice and inform the appellant that she is entitled to request a hearing. Even if she does not do so the Council may decide that a hearing is desirable.

Rule 23 provides that the Council shall give notice of a hearing

Rule 24 provides that the parties must inform the Council whether they intend to attend the hearing and whether they intend to call witnesses. An appellant may be represented. An appellant may submit written representations if she does not intend to be present at or represented at the hearing. The Council may offer anyone who, in its opinion, has an interest in the proceedings the opportunity to make written representations.

Status: This is the original version (as it was originally made).

Rule 25 relates to the constitution of the Council or Appeal Panel considering the appeal and provides for decision by majority vote (the Chair has a casting vote in favour of the appellant in the case of a tie).

Rule 26 provides for a preliminary meeting to be held if it would, in the opinion of the Appeal Panel, assist it to perform its functions, and for directions to be given.

Rule 27 provides that, in specified circumstances, an appeal may be determined without an oral hearing.

Rule 28 provides that an Appeal Panel may postpone a hearing or adjourn proceedings.

Rule 29 provides that an Appeal Panel may determine an appeal in the absence of the appellant where satisfied that reasonable steps have been taken to notify her of the hearing.

Rule 30 relates to the conduct of the hearing which is to be in public unless the Appeal Panel considers that, for one of the reasons specified, all or part of it should be in private. The rule provides for the Appeal Panel, taking account of criteria set out, to determine the order in which the parties will be heard and for the giving of evidence.

Rule 31 relates to the evidence which may be presented to the Appeal Panel and permits a party to rely on grounds not stated in the notice of appeal.

Rule 32 provides for the Appeal Panel to give notice of its decision.

Schedules 1 and 2 set out provisions of Directives [77/453/EEC](#) (nurses) and [80/155/EEC](#) (midwives) respectively which relate to training and which are referred to in the rules.

Schedule 3 sets out the information to be provided in respect of an application for registration.

Schedule 4 sets out the information to be provided in respect of an application for renewal of registration.
