
STATUTORY INSTRUMENTS

2004 No. 1769

The Justification of Practices Involving
Ionising Radiation Regulations 2004

PART 7

Justification of classes or types of practice involving a medical exposure

Saving for medical practices

21. Nothing in regulations 4(5) or 5(3) shall prevent anything permitted under regulation 6 of the Ionising Radiation (Medical Exposure) Regulations 2000⁽¹⁾.

⁽¹⁾ S.I.2000/1059, to which there is an amendment not relevant to these Regulations.
