The Justification of Practices Involving
Ionising Radiation Regulations 2004

PART 3

Applications and Determinations

Determination whether a practice is new or existing

12.—(1) The Secretary of State may, and at the request of any other person shall, determine whether a practice belongs to a new or existing class or type of practice for the purposes of these Regulations.

(2) Any application under regulation 9 or 10 shall be deemed to include a request under paragraph (1).
