**2004 No. 1836**

The Fireworks Regulations 2004

**Importation of fireworks**

**11.** No person shall import any firework, unless he has given the following information to the Commissioners of Customs and Excise—

- (a) his name and address;
- (b) the name of the person who is to store the fireworks following their importation; and
- (c) the address of the premises at which the fireworks are to be stored following their importation.
