**2004 No. 2038**

**The Air Navigation (Overseas Territories) (Amendment) Order 2004**

**Amendment of the Air Navigation (Overseas Territories) Order 2001**

**28.** In Schedule 13, Section VI for rule 31(4)(a) substitute the following:–

- (a) “(4) subject to sub-paragraph (b), the commander of the aircraft shall fly in conformity with:
  - (i) the air traffic control clearance issued for the flight, as amended by any further instructions given by an air traffic control unit; and
  - (ii) (aa) the instrument departure procedures notified in relation to the aerodrome of departure, unless he is otherwise authorised by the appropriate air traffic control unit; and
  - (bb) the holding and instrument approach procedures notified in relation to the aerodrome of destination, unless he is otherwise authorised by the appropriate air traffic control unit.”
