

THE SCHEDULE

Regulations 2 and 5

SPECIFIED COMMUNITY PROVISIONS

PART I

<i>Provision of Regulation 1829 /2003</i>	<i>Subject Matter</i>
Article 16.2	Prohibition on placing on the market, using or processing a product referred to in Article 15.1 unless it is covered by an authorisation and satisfies relevant conditions of the authorisation.

PART II

<i>Provision of Regulation 1829/2003</i>	<i>Subject Matter</i>
Article 20.6	Requirement that products in respect of which the Commission have adopted a measure under Article 20.6 shall be withdrawn from the market.
Article 21.1	Requirement that the authorisation holder and the parties concerned must comply with conditions or restrictions imposed on an authorisation for that product, and the authorisation holder must comply with post-market monitoring requirements
Article 21.3	Requirement that an authorisation holder inform the Commission of any new scientific or technical information relating to a product, which might influence the evaluation of the safety in use of the feed, or of any prohibition or restriction on the feed in a third country.
Article 25	Requirement for certain labelling indications.
