EXPLANATORY NOTE

(This note is not part of the Regulations)

Council Regulation [\(EC\) No 872/2004](#) of 29 April 2004 (“the Council Regulation”) imposes a freeze on the funds and economic resources of former Liberian President Charles Taylor and certain other persons associated with him as designated by the Committee established by paragraph 21 of UN Security Council Resolution 1521 (2003) (“the UN Sanctions Committee”) and listed in Annex I to that Regulation.

The Liberia (Freezing of Funds and Economic Resources) Regulations 2004 provide that breaches of certain provisions of the Council Regulation, and certain other acts and omissions, are criminal offences. [SI 2004/1710](#) amended the definition of “the EC Regulation” in regulation 1(2) of those regulations so that it referred to the EC Regulation as amended by Commission Regulation [\(EC\) No 1149/2004](#) of 22 June 2004.

The UN Sanctions Committee subsequently amended the identifying information relating to certain designated targets. Accordingly the Commission, by Regulation [\(EC\) No 1478/2004](#) of 18 August 2004, updated the identifying information in Annex I of the Council Regulation.

Most recently on 25 and 26 August 2004 the UN Sanctions Committee decided to add three additional persons to the list of designated targets and amended the identifying information for one listed person. Commission Regulation [\(EC\) No 1580/2004](#) of 8 September 2004 accordingly extends and amends the list of persons subject to restrictive measures in Annex I of the Council Regulation.

The present Regulations amend the Liberia (Freezing of Funds and Economic Resources) Regulations 2004 so that they refer to the Council Regulation as further amended by Commission Regulation [\(EC\) No 1478/2004](#) and Commission Regulation [\(EC\) No 1580/2004](#).
