NOTES ON THE USE OF FORM 1

- (a) Insert the title of the order, beginning with the name of the acquiring authority followed in brackets by the general location where the land to be acquired is situated. The words “Compulsory Purchase Order” and the year in which it is made should then follow.
- (b) Insert the title and date of the Act authorising compulsory purchase. If the statutory grounds and purpose for acquisition as stated in paragraph 1 of the order are contained in some other Act, the title of the Act (or collective title) should be added as a sub-heading and in the order as an enabling power. In the case of orders under section 226(1) of the Town and Country Planning Act 1990 specify whichever of the paragraphs (a) or (b) is relied on and section 226(3)(a) or (b) must also be mentioned in a similar manner, if relied on.
- (c) Insert the name of the acquiring authority.
- (d) If the acquiring authority is acquiring on behalf of a county, district or parish council insert the full name of that council.
- (e) Delete material which is inapplicable.

- (f) Describe the purpose in precise terms. Where practicable the relevant words in the enabling Act should be inserted at the end of paragraph 1 of the order, followed by a description of the purpose in the particular circumstances.
- (g) Describe the colour or other method used to identify the land on the map. The boundaries of each parcel of land separately numbered in the Schedule to the order should be clearly shown on the map. The map should contain sufficient detail to enable the situation of the land to be readily identified by reference to the description given in the Schedule. Maps should normally be on the scale of 1/500, 1/1250 or 1/2500 as appropriate. If new rights are to be acquired, specify these by description in the Schedule. If new rights are being acquired, the land over which they are being acquired should be identified on the map in a different colour or format to land being compulsorily acquired. If new rights are being acquired under different powers from those being used in relation to the land, specify the powers.
- (h) This paragraph may be omitted, or may be inserted with or without reference to Part 3 of Schedule 2 to the Acquisition of Land Act 1981. Schedule 2 permits modifications of references to “the undertaking” in that Schedule. Insert any such modifications which are required—for example, “references in the said Part[s] 2 [and 3] to the undertaking shall be construed as references to the buildings or works constructed or to be constructed on that part of the land authorised to be purchased hatched black on the said map”.
- (i) Columns (1) and (4) need not be included where the order relates only to one parcel of land. Where there are two or more parcels they should be numbered 1, 2, etc., on the map and referred to accordingly in columns (1) and (4).
- (j) This column must contain sufficient detail to identify the land without reference to the map. If land in which the authority has an interest is shown, then insert “All interests in . . . except those owned by the acquiring authority”, except in the case of orders made under the Highways Act 1980 in reliance on section 260 of that Act (clearance of title to land acquired for statutory purposes) where the authority has already acquired the interest by agreement. If land in which the Crown has an interest is included and the relevant Crown authority has agreed to the inclusion of the non-Crown interests under the appropriate statutory power, for example, section 296 of the Town and Country Planning Act 1990, insert in this column “All interests in . . . except those held by or on behalf of the Crown”. Insert details of the relevant Crown interest in the appropriate column. If the Crown has agreed under section 327 of the Highways Act 1980 to its interests being compulsorily purchased, this special wording is not required.
- (k) In the case of any land for which the acquiring authority intends to serve notice on an owner, lessee, tenant or occupier under section 6(4) of the Acquisition of Land Act 1981, enter “unknown” in the appropriate sub-columns of column (3). Tenants who are lessees (with leases of three years or more) should be listed in the lessees sub-column rather than the tenants sub-column.
- (l) Insert in this column the name of any person who has an interest, not already included in columns (2) and (3), to whom the acquiring authority would be required to give a notice to treat if purchasing under section 5(1) of the Compulsory Purchase Act 1965. An example might be the inclusion in the order for the purchase under the particular provisions of the enabling Act of an easement over the land in the order. A description of the interest to be acquired should also be included.
- (m) Insert in this column the name of any person whom the acquiring authority thinks is likely to be able to make a claim for compensation under section 10 of the Compulsory Purchase Act 1965 (compensation for injurious affection) in respect of any interest that person may have if the compulsory purchase takes place. An example might be the interference with a private right of access across the land included in the order, as a result of implementing the acquiring authority’s proposals. A description of the interest should be included.
- (n) The compulsory acquisition of land or new rights over land—
- (i) which is the property of a local authority but is proposed to be acquired by a person other than a person mentioned in section 17(3) of the Acquisition of Land Act 1981;
 - (ii) which has been acquired by statutory undertakers for the purposes of their undertaking but is proposed to be acquired by a person other than a person mentioned in section 17(3) of the 1981 Act;
 - (iii) which is held inalienably by the National Trust; or
 - (iv) forming part of a common or open space, or of a fuel or field garden allotment,
- is subject to special provisions in sections 17 to 19 of, and Part 3 of Schedule 3 to, the 1981 Act and consequently may be subject to special parliamentary procedure in certain circumstances. (Section 17 will rarely apply as the class of excepted person in section 17(3) is very wide and includes local authorities.)
- (o) In the column “Special Category”, state which section of the Acquisition of Land Act 1981 applies, and the description of special category land.
- (p) The order must be made under seal, duly authenticated and dated.

Additional paragraph for a compulsory purchase order made under section 47 of the Listed Building Act

4. Under section 50 of the Planning (Listed Buildings and Conservation Areas) Act 1990 (“the Listed Buildings Act”), the acquiring authority makes the following direction, being satisfied that the listed building[s] authorised to be purchased compulsorily under this order (“the building[s]”) [has][have] (*e*) been deliberately allowed to fall into disrepair for the purpose of justifying [its][their] (*e*) demolition and the development or redevelopment of the site or any adjoining site: for the purpose of assessing compensation and notwithstanding anything to the contrary in the Land Compensation Act 1961, the Town and Country Planning Act 1990 or the Listed Buildings Act—

It is hereby directed that it shall be assumed that planning permission would not be granted for the development or redevelopment of the site of the building[s] and that listed building consent would not be granted for any works for the demolition, alteration or extension of the building[s], other than development or works necessary for restoring [it][them] to and maintaining [it][them] (*e*) in a proper state of repair.

If the Crown has agreed under section 327 of the Highways Act 1980 to its interests being compulsorily purchased, this special wording is not required.

- (k) In the case of any land for which the acquiring authority intends to serve notice on an owner, lessee, tenant or occupier under section 6(4) of the Acquisition of Land Act 1981, enter “unknown” in the appropriate sub-columns of column (3). An example might be the inclusion in the order for the purchase under the particular provisions of the enabling Act of an easement over the land in the order. NOTES ON THE USE OF FORM 3

- (a) *Insert the title of the order, beginning with the name of the acquiring authority followed in brackets by the general location where the land to be acquired is situated. The words “Compulsory Purchase Order” and the year in which it is made should then follow.*
- (b) *Insert the title and date of the Act authorising compulsory purchase. If the statutory grounds and purpose for acquisition as stated in paragraph 1 of the order are contained in some other Act, the title of the Act (or collective title) should be added as a sub-heading and in the order as an enabling power. In the case of orders under section 226(1) of the Town and Country Planning Act 1990 specify whichever of the paragraphs (a) or (b) is relied on and section 226(3) (a) or (b) must also be mentioned in a similar manner, if relied on.*
- (c) *Insert the name of the acquiring authority.*
- (d) *If the acquiring authority is acquiring on behalf of a county, district or parish council insert the full name of that council.*
- (e) *Delete material which is inapplicable.*
- (f) *Describe the purpose in precise terms. Where practicable the relevant words in the enabling Act should be inserted at the end of paragraph 1 of the order, followed by a description of the purpose in the particular circumstances.*
- (g) *Describe the colour or other method used to identify the land on the map. The boundaries of each parcel of land separately numbered in the Schedule to the order should be clearly shown on the map. The map should contain sufficient detail to enable the situation of the land to be readily identified by reference to the description given in the Schedule. Maps should normally be on the scale of 1/500, 1/1250 or 1/2500 as appropriate. If new rights are to be acquired, specify these by description in the Schedule. If new rights are being acquired, the land over which they are being acquired should be identified on the map in a different colour or format to land being compulsorily acquired. If new rights are being acquired under different powers from those being used in relation to the land, specify the powers.*
- (h) *This paragraph may be omitted, or may be inserted with or without reference to Part 3 of Schedule 2 to the Acquisition of Land Act 1981. Schedule 2 permits modifications of references to “the undertaking” in that Schedule. Insert any such modifications which are required—for example, “references in the said Part[s] 2 [and 3] to the undertaking shall be construed as references to the buildings or works constructed or to be constructed on that part of the land authorised to be purchased hatched black on the said map”.*
- (i) *Columns (1) and (4) need not be included where the order relates only to one parcel of land. Where there are two or more parcels they should be numbered 1, 2, etc., on the map and referred to accordingly in columns (1) and (4).*
- (j) *This column must contain sufficient detail to identify the land without reference to the map. If land*

in which the authority has an interest is shown, then insert “All interests in . . . except those owned by the acquiring authority”, except in the case of orders made under the Highways Act 1980 in reliance on section 260 of that Act (clearance of title to land acquired for statutory purposes) where the authority has already acquired the interest by agreement. If land in which the Crown has an interest is included and the relevant Crown authority has agreed to the inclusion of the non-Crown interests under the appropriate statutory power, for example, section 296 of the Town and Country Planning Act 1990, insert in this column “All interests in . . . except those held by or on behalf of the Crown”. Insert details of the relevant Crown interest in the appropriate column. If the Crown has agreed under section 327 of the Highways Act 1980 to its interests being compulsorily purchased, this special wording is not required.

- (k) In the case of any land for which the acquiring authority intends to serve notice on an owner, lessee, tenant or occupier under section 6(4) of the Acquisition of Land Act 1981, enter “unknown” in the appropriate sub-columns of column (3). Tenants who are lessees (with leases of three years or more) should be listed in the lessees sub-column rather than the tenants sub-column.*
- (l) Insert in this column the name of any person who has an interest, not already included in columns (2) and (3), to whom the acquiring authority would be required to give a notice to treat if purchasing under section 5(1) of the Compulsory Purchase Act 1965. An example might be the inclusion in the order for the purchase under the particular provisions of the enabling Act of an easement over the land in the order. A description of the interest to be acquired should also be included.*
- (m) Insert in this column the name of any person whom the acquiring authority thinks is likely to be able to make a claim for compensation under section 10 of the Compulsory Purchase Act 1965 (compensation for injurious affection) in respect of any interest that person may have if the compulsory purchase takes place. An example might be the interference with a private right of access across the land included in the order, as a result of implementing the acquiring authority’s proposals. A description of the interest should be included.*
- (n) The compulsory acquisition of land or new rights over land—*
 - (i) which is the property of a local authority but is proposed to be acquired by a person other than a person mentioned in section 17(3) of the Acquisition of Land Act 1981;*
 - (ii) which has been acquired by statutory undertakers for the purposes of their undertaking but is proposed to be acquired by a person other than a person mentioned in section 17(3) of the 1981 Act;*
 - (iii) which is held inalienably by the National Trust; or*
 - (iv) forming part of a common or open space, or of a fuel or field garden allotment,*

is subject to special provisions in sections 17 to 19 of, and Part 3 of Schedule 3 to, the 1981 Act and consequently may be subject to special parliamentary procedure in certain circumstances. (Section 17 will rarely apply as the class of excepted person in section 17(3) is very wide and includes local authorities.)
- (o) In the column “Special Category”, state which section of the Acquisition of Land Act 1981 applies, and the description of special category land.*
- (p) The order must be made under seal, duly authenticated and dated.*
- (q) Insert or delete as appropriate.*
- (r) Insert sub-paragraph (3) of paragraph 4 instead of, or in addition to, sub-paragraph (2) of paragraph (4) (as appropriate) if new rights are being acquired instead of or in addition to land subject to protected rights and the protected rights are to be discharged without any land being vested in exchange.*

NOTES ON THE USE OF FORM 6

- (a) *Insert the title of the order, beginning with the name of the acquiring authority followed in brackets by the general location where the land to be acquired is situated. The words “(Clearance Area) Compulsory Purchase Order” and the year in which it is made should then follow.*
- (b) *Insert the name of the acquiring authority.*
- (c) *Delete material which is inapplicable, depending on whether as well as section 290(1), section 290(2)(a) or (b) or both are applicable.*
- (d) *The boundaries of each parcel of land separately numbered in the Schedule to the order should be clearly delineated. Further, the map itself should contain sufficient detail to enable the situation of the land to be readily identified by reference to the description given in the Schedule. Maps should normally be on the scale of 1/500, 1/1250 or 1/2500 as appropriate. If new rights are to be acquired, specify these by description in the Schedule. If new rights are being acquired, the land over which they are being acquired should be identified on the map in a different colour or format to land being compulsorily acquired. If new rights are being acquired under different powers from those being used in relation to the land, specify the powers.*
- (e) *State name of clearance area.*
- (f) *Give date of relevant resolution.*
- (g) *This paragraph may be omitted, or may be inserted with or without reference to Part 3 of Schedule 2 to the Acquisition of Land Act 1981. Schedule 2 permits modifications of references to “the undertaking” in that Schedule. Insert any such modifications which are required—for example, “references in the said Part[s] 2 [and 3] to the undertaking shall be construed as references to the buildings or works constructed or to be constructed on that part of the land authorised to be purchased hatched black on the said map”.*
- (h) *Columns (1) and (4) need not be included where the order relates only to one parcel of land. Where there are two or more parcels they should be numbered 1, 2, etc., on the map and referred to accordingly in columns (1) and (4).*
- (i) *This column must contain sufficient detail to identify the land without reference to the map. If land in which the authority has an interest is shown, then insert “All interests in . . . except those owned by the acquiring authority”. Insert details of the relevant Crown interest in the appropriate column.*
- (j) *In the case of any land for which the acquiring authority intends to serve notice on an owner, lessee, tenant or occupier under section 6(4) of the Acquisition of Land Act 1981, enter “unknown” in the appropriate columns. Tenants who are lessees (with leases of three years or more) should be listed in the lessees sub-column rather than the tenants.*

- (k) Insert in this column the name of any person who has an interest, not already included in columns (2) and (3), to whom the acquiring authority would be required to give a notice to treat if purchasing under section 5(1) of the Compulsory Purchase Act 1965. An example might be the inclusion in the order for the purchase under the particular provisions of the enabling Act of an easement over the land in the order. A description of the interest to be acquired should also be included.
- (l) Insert in this column the name of any person whom the acquiring authority thinks is likely to be able to make a claim for compensation under section 10 of the Compulsory Purchase Act 1965 (compensation for injurious affection) in respect of any interest that person may have if the compulsory purchase takes place. An example might be the interference with a private right of access across the land included in the order, as a result of implementing the acquiring authority's proposals. A description of the interest should be included.
- (m) The compulsory acquisition of land or new rights over land—
- (i) which is the property of a local authority but is proposed to be acquired by a person other than a person mentioned in section 17(3) of the Acquisition of Land Act 1981;
 - (ii) which has been acquired by statutory undertakers for the purposes of their undertaking but is proposed to be acquired by a person other than a person mentioned in section 17(3) of the 1981 Act;
 - (iii) which is held inalienably by the National Trust; or
 - (iv) forming part of a common or open space, or of a fuel or field garden allotment, is subject to special provisions in sections 17 to 19 of, and Part 3 of Schedule 3 to, the 1981 Act and consequently may be subject to special parliamentary procedure in certain circumstances. (Section 17 will rarely apply as the class of excepted person in section 17(3) is very wide and includes local authorities and housing action trusts.)
- (n) In the column "Special Category", state which section of the 1981 Act applies, and the description of special category land.
- (o) The order must be made under seal, duly authenticated and dated.
- (p) Adapt the form as necessary to requirement.
- (q) Insert or delete as appropriate.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations re-enact with amendments the Compulsory Purchase of Land Regulations 1994. They prescribe forms for use in connection with the compulsory purchase of land and new rights over land in England and Wales which are subject to the procedures contained in the Acquisition of Land Act 1981 except when the acquiring or confirming authority is the National Assembly for Wales. The amendments take account of the legislative changes in the Planning and Compulsory Purchase Act 2004 as well as minor changes in drafting.

The main features of those amendments are—

- (a) prescribed forms for compulsory purchase orders incorporating in the Schedules an extended category of person referred as a “qualifying person” who is to be served with notice of the making of a compulsory purchase order (section 12(1) of the 1981 Act) (Forms 1 to 6);
