2004 No. 2783

**The Education (National Curriculum) (Key Stage 1
Assessment Arrangements) (England) Order 2004**

Pupils not subject to provisions of the National Curriculum

7.—(1) The modifications set out in this article apply in respect of pupils to whom provisions of the National Curriculum for England do not apply (including pupils with statements of special educational needs).

(2) Where in the case of mathematics and science one attainment target does not apply to such a pupil, the pupil shall be treated as though the number of attainment targets applying to the pupil were the total number of attainment targets in the subject and the attainment target which does not apply were ignored.

(3) Where in the case of mathematics and science more than one attainment target does not apply to such a pupil, the pupil shall not be assessed in relation to that subject.
