and Export) (No. 2) Regulations 2004**

PART 3

Third Countries

Consignments constituting a danger to health

20. Where checks at the quarantine centre or border inspection post or the test results referred to in regulation 18(6) reveal that an animal or a consignment of animals is likely to constitute a danger to animal or human health, the official veterinarian shall immediately seize and destroy the animal or consignment (as the case may be) and the costs of such action shall be payable by the importer or his representative.
