

## SCHEDULE 4

### CONFORMITY ASSESSMENT PROCEDURES

*(This Schedule substantially reproduces the provisions of Part 1 of Annex IV of the Transportable Pressure Equipment Directive)*

#### **Module C1—conformity to type**

1. This module describes that part of the procedure whereby the manufacturer, or his authorised representative established within the Community, ensures and declares that transportable pressure equipment is in conformity with the type described in the EC type-examination certificate and satisfies the relevant requirements of Part 4 of these Regulations. The manufacturer, or his authorised representative established within the Community, must affix the conformity marking to all transportable pressure equipment and draw up a written declaration of conformity.
