

SCHEDULE 4

CONFORMITY ASSESSMENT PROCEDURES

(This Schedule substantially reproduces the provisions of Part 1 of Annex IV of the Transportable Pressure Equipment Directive)

Module B1—EC design examination

9. The manufacturer, or his authorised representative established within the Community, must keep with the technical documentation referred to in paragraph 3 copies of EC design-examination certificates and their additions for a period of 10 years after the last of the transportable pressure equipment has been manufactured.

Where neither the manufacturer nor his authorised representative is established within the Community, the obligation to keep the technical documentation available is the responsibility of the person who places the product on the market.
