

SCHEDULE 7

PERIODIC INSPECTION PROCEDURES

(This Schedule substantially reproduces the provisions of Part III of Annex IV to the Transportable Pressure Equipment Directive)

Module 2—periodic inspection through quality assurance

4.2. The owner or his authorised representative established in the Community or the approved body must allow the notified body access for inspection purposes to the locations of inspection, testing and storage and provide it with all necessary information, in particular:

- the quality system documentation,
- the technical documentation,
- the quality records, such as inspection reports and test data, reports concerning the qualifications of the personnel concerned etc.
