(2) For the purpose of calculating the period of not less than six months referred to in regulation 3(2)(c) of these Regulations, a period of interruption to the receipt of benefit not exceeding 28 days, or any periods of such interruption which added together do not exceed a total of 28 days, shall be disregarded.

(3) In respect of any period throughout which a member of a joint-claim couple is receiving a joint-claim jobseeker’s allowance, the other member of that couple shall, for the purposes of regulation 3(2)(c) of these Regulations, also be treated as receiving benefit throughout that period.
