

## SCHEDULE 2

### RULES

#### **Port Radio Telephone Communication**

1.—(1) Save with the permission of the Queen's Harbour Master, all vessels of an overall length of 20 metres or more, and, when engaged in any type of commercial activity, small boats navigating within the Dockyard Port shall carry fixed or portable VHF radiotelephony equipment.

(2) The Queen's Harbour Master from time to time may by notice published as a general or local notice to mariners direct that the provisions of Rule 1(1) be extended to small boats when necessary for safety within the Dockyard Port.

(3) Port radio telephone communications shall be conducted in accordance with any direction issued by the Queen's Harbour Master from time to time.
