**2005 No. 1970**

**The Air Navigation Order 2005**

**PART 10**

**Licensing of Air Traffic Controllers**

**Obligation to notify rating ceasing to be valid and change of unit**

**111.**—(1) Subject to paragraph (2), when a rating ceases to be valid for a sector or operational position the holder of the licence shall forthwith inform the person who is approved under article 100 to provide an air traffic control service for that sector or operational position to that effect.

(2) When a rating ceases to be valid for a sector or operational position and is not valid for any other sector or operational position the holder shall notify the CAA and forward the licence to the CAA or a person approved by the CAA for the purpose who shall endorse the licence accordingly and return it to the holder.

(3) Whenever a person ceases to act as an air traffic controller at a particular unit he shall notify the CAA and forward the licence to the CAA or a person approved by the CAA for the purpose who shall endorse the licence accordingly and return it to the holder.
