The Air Navigation Order 2005

PART 5

Operation of Aircraft

Flight data monitoring, accident prevention and flight safety programme

41.—(1) The operator of an aircraft registered in the United Kingdom flying for the purpose of public transport shall establish and maintain an accident prevention and flight safety programme.

(2) The operator of an aeroplane registered in the United Kingdom with a maximum total weight authorised of more than 27,000 kg flying for the purpose of public transport shall include a flight data monitoring programme as part of its accident prevention and flight safety programme.

(3) The sole objective of an accident prevention and flight safety programme shall be the prevention of accidents and incidents and each programme shall be designed and managed to meet that objective.

(4) It shall not be the purpose of an accident prevention and flight safety programme to apportion blame or liability.
