EXPLANATORY NOTE

This note is not part of the Order)

This Order (which applies in England only) revokes and replaces the Diseases of Poultry Declaratory (Infected Area) (England) (No 2) Order 2005 ([S.I. 2005/2116](#)). It comes into effect at 1.30 p.m. on 15 August 2005.

By this Order, the Secretary of State declares the area described in Part 1 of the Schedule to be an infected area to which the restrictions applicable to surveillance zones in Schedule 2 to the Diseases of Poultry (England) Order 2003 ([S.I. 2003/1078](#)) apply. The effect of this Order is to merge the protection and surveillance zones declared by the Diseases of Poultry Declaratory (Infected Area) (England) (No. 2) Order 2005, removing the additional restrictions applicable in that part of the infected area which formed a protection zone.

The boundary of the infected area is shown in the map at Part 2 of the Schedule. This map is also available at www.defra.gov.uk and copies may be inspected between 9.00 a.m. and 5.00 p.m., Monday to Friday at the Department for Environment, Food and Rural Affairs, 1A Page Street, London SW1P 4PQ and at the offices of the Animal Health District Office: Liberty House, 105 Bell Street, Reigate, Surrey RH2 7JB.
