2005 No. 2304

CLEAN AIR, ENGLAND

**The Smoke Control Areas (Exempted
Fireplaces) (England) Order 2005**

<i>Made</i>	- - - -	<i>17th August 2005</i>
<i>Laid before Parliament</i>		<i>19th August 2005</i>
<i>Coming into force</i>	- -	<i>1st October 2005</i>

The Secretary of State, in exercise of the power conferred upon her by section 21 of the Clean Air Act 1993⁽¹⁾, being satisfied that the classes of fireplace exempted by this Order can be used for burning fuel other than authorised fuels without producing any smoke or a substantial quantity of smoke, hereby makes the following Order:

Citation, commencement and extent

1.—(1) This Order may be cited as the Smoke Control Areas (Exempted Fireplaces) (England) Order 2005 and shall come into force on 1st October 2005.

(2) This Order applies to England only⁽²⁾.

Classes of fireplace exempted from section 20 of the Clean Air Act 1993

2. The classes of fireplace described in the Schedule shall, upon the conditions there specified, be exempted from the provisions of section 20 (prohibition on emission of smoke in smoke control area) of the Clean Air Act 1993.

Amendment of the Smoke Control Areas (Exempted Fireplaces) Order 1999

3. In the entry relating to the Dunsley Yorkshire Stove in the Schedule to the Smoke Control Areas (Exempted Fireplaces) Order 1999⁽³⁾—

(a) for the description “The Dunsley Yorkshire Stove manufactured by Dunsley Heat Limited”, substitute the description “The Dunsley Yorkshire Stove, the Dunsley Yorkshire

(1) 1993 c. 11.

(2) The relevant powers of the Secretary of State have been devolved in relation to Wales by article 2 of the National Assembly for Wales (Transfer of Functions) Order 1999 (S.I. 1999/672) (see the entry in Schedule 1 for the Clean Air Act 1993), and in relation to Scotland by section 53 of the Scotland Act 1998 (c. 46).

(3) S.I. 1999/1515, which applies to England and Wales; there are amendments to that Order not relevant to this Order.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Multifuel Stove and the Dunsley Yorkshire Multifuel Stove and Boiler manufactured by Dunsley Heat Limited”;

- (b) after the words “reference “A/22160”” at the end of paragraph 1 of the Conditions, insert the words “as amended by the manufacturer’s instructions dated 4th December 2004 bearing the reference “D13” with regard to the Stove and Multifuel Stove, and by the manufacturer’s instructions dated 4th October 2004 bearing the reference GHD/DUN4B/1 with regard to the Multifuel Stove and Boiler”.

No fuel shall be used other than wood pellets or wood chips, but excluding any such wood which contains halogenated organic compounds or heavy metals as a result of treatment with wood-preservatives or coatings and, in particular, wood waste originating from construction and demolition waste.</p>

EXPLANATORY NOTE

(This note is not part of the Order)

Section 20 of the Clean Air Act 1993 prohibits the emission of smoke in smoke control areas. The Secretary of State may by order made under section 21 of the Act exempt specified classes of fireplace from the provisions of section 20, if she is satisfied that they can be used for burning fuel other than authorised fuels without producing any smoke or a substantial quantity of smoke.

This Order applies to England only. Article 2 of the Order exempts the classes of fireplace listed in the first column of the Schedule to the Order from the provisions of section 20, subject to the conditions in the second column of that Schedule.

Article 3 makes minor amendments to the Smoke Control Areas (Exempted Fireplaces) Order 1999 (S.I.1999/1515) to take account of a change in the class description and in the conditions relating to exempted fireplaces manufactured by Dunsley Heat Limited.

A full regulatory impact assessment has not been produced for this instrument as it has no impact on the costs of business.
