EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Motor Vehicles (EC Type Approval) Regulations 1998 ([SI 1998/2051](#)) (“the principal Regulations”).

Regulation 2 amends the definition of “the Framework Directive” in regulation 3(1) of the principal Regulations so that it encompasses the further amendments made to Council Directive [70/156/EEC](#)(5) by Directive [2004/104/EC](#).

The Table in Schedule 1 to the principal Regulations (“the Table”) lists separate Directives under the Framework Directive, which lay down technical standards for vehicle components or features of construction. EC Directives [2004/104/EC](#) amends the Separate Directive relating to radio interference (electromagnetic compatibility), and Directive [70/156/EEC](#). Directives [2005/11/EC](#)(6), [2005/21/EC](#)(7) and [2005/27/EC](#)(8) amend the Separate Directives on vehicles tyres, diesel smoke emissions and devices for indirect vision respectively. *Regulation 3* inserts references to these Directives at the appropriate place in the Table, thereby implementing them for the purpose of EC type approval procedures.

In line with the principal Regulations, the use of the symbol * denotes that the Directive specified is a Commission Directive.

A regulatory impact assessment of the effect that the transposition of Directive [2004/104/EC](#) will have on the costs of business is available from Gus Gander of the Vehicle Certification Agency of the Department for Transport, 1 Eastgate Office Centre, Eastgate Road, Bristol BS5 6XX (Tel: 01179 524119; e-mail ggander@vca.gov.uk). Since the impacts of Directives [2005/11/EC](#), [2005/21/EC](#) and [2005/27/EC](#) will be negligible, it has not been considered necessary to conduct an RIA in respect of their implementation.

A Transposition Note has also been prepared, and is available from Gus Gander at the above addresses.

Copies of the Regulatory Impact Assessment and of the Transposition Note may also be accessed on the Office of Public Information website www.opsi.gov.uk.
