The Energy Administration Rules 2005

PART 7

DISTRIBUTION OF CREDITORS

CHAPTER 2

Machinery of proving a debt

Admission and rejection of proofs for dividend

45.—(1) A proof may be admitted for dividend either for the whole amount claimed by the creditor, or for part of that amount.

(2) If the energy administrator rejects a proof in whole or in part, he shall prepare a written statement of his reasons for doing so, and send it as soon as reasonably practicable to the creditor.
