**The End-of-Life Vehicles (Producer
Responsibility) Regulations 2005**

Accessibility of the system for collection

11.—(1) Each producer shall ensure that, as regards vehicles for which he has declared responsibility for placing on the market under regulation 7, or for which the Secretary of State has ascribed responsibility to him under regulation 8, his system for collection as referred to in regulation 10 is reasonably accessible to any person who wishes to deliver to it an end-of-life vehicle for which that producer is responsible.

(2) Notwithstanding the requirements of paragraph (1), a producer may make alternative arrangements for the collection of vehicles referred to in regulation 10, provided those arrangements are at least as convenient for the last owner or holder of the vehicle as the requirement for delivery referred to in paragraph (1).
