

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE 5

Medicated feedingstuffs and specified feed additives

Packages and other containers

18.—(1) Any person placing feedingstuffs containing a veterinary medicinal product on the market in packages or containers must ensure that they are sealed in such a way that, when the package or container is opened, the seal is damaged.

(2) It is an offence to fail to comply with this paragraph.
