**2005 No. 281**

**The Electromagnetic Compatibility Regulations 2005**

**PART VI**

**THE EC TYPE-EXAMINATION ROUTE TO COMPLIANCE  
FOR RADIOCOMMUNICATION TRANSMISSION APPARATUS**

*United Kingdom notified bodies*

**Conditions of EC type-examination certificates**

**69.**—(1) Subject to regulation 71 below and paragraphs (2) and (3) of this regulation, an EC type-examination certificate issued by a United Kingdom notified body may be unconditional or subject to such conditions, which must be complied with if the certificate is to apply, as the body considers appropriate.

- (2) Without prejudice to the generality of paragraph (1) above, such conditions may include—
- (a) a limitation on the electromagnetic environment for which the apparatus may be stated to be suitable; or
  - (b) a limitation that the apparatus is only to be installed at a specific site.

(3) The conditions imposed pursuant to paragraph (1) above may be varied by the United Kingdom notified body which issued the EC type-examination certificate, and a variation under this paragraph may include the imposition of new conditions or the withdrawal of conditions.

**Changes to legislation:**

There are currently no known outstanding effects for the The Electromagnetic Compatibility Regulations 2005, Section 69.
