The Offshore Installations (Safety Case) Regulations 2005

Safety case for non-production installation

8. Subject to regulation 27, the owner of a non-production installation shall ensure that it is not moved in relevant waters with a view to its being operated there unless—

- (a) he has prepared a safety case containing the particulars specified in regulation 12 and Schedule 3;
- (b) he has sent the safety case to the Executive at least 3 months (or such shorter period as the Executive may specify) before the movement of the installation in those waters with a view to its being operated there; and
- (c) the Executive has accepted the safety case.
