#### Form of actuary's certification of schedule of contributions in respect of the regulatory own funds requirement

Name of scheme

Adequacy of rates of contributions

I certify that, in my opinion, the rates of contributions shown in this schedule of contributions are such that—

the regulatory own funds requirement could have been expected on [effective date of valuation on which the schedule is based] to continue to be met for the period for which the schedule is to be in force, or

the regulatory own funds requirement could have been expected on [effective date of valuation on which the schedule is based] to be met by [a date within two years of the effective date of that valuation].

[Delete whichever option does not apply.]

In forming this opinion, I have complied with the requirements imposed by the Occupational Pension Schemes (Regulatory Own Funds) Regulations 2005.
